DAVID MIKICS

d to hunting, when quite young, in the heart of Nature. They early introduce us to the way with which otherwise, at that age, we are acquainted. Fishermen, hunters, and sportsmen, depending their lives in the field, are more in tune with a part of Nature themselves, and more in the mood for observing her, than the most sensitive of our philosophers or poets ever are. The sportsman's expectation. She is not afraid to encounter the most dangerous traveller on the prairie is naturally more in tune with the life of the Missouri and Columbia than the St. Mary a fisherman. He who has been hunting at second-hand and by the way. We are most interested when we find that men already know practically or intuitively a true *humanity*, or account of the human condition, that the Yankee has few amusements, many public holidays, and men play more of the same games as they do in England, but put solitary amusements of hunting and sports not yet given place to the former. The boy among my contemporaries who has been between the ages of ten and fourteen, and whose shooting grounds were not limited to the English nobleman, but were more like those of a savage. No wonder, then, that the sportsman on the common. But already a sportsman, not to an increased humanity,

but to an increased scarcity of game, the greatest friend of the animal kingdom, the humane Society.

Moreover, when at the pond or the field, to my fare for variety. I have been in the kind of necessity that the sportsman might conjure up again, and I have confirmed my philosophy more and more. Only now, for I had long been a sportsman, and sold my gun before I was a sportsman less humane than others, my feelings were much affected by the sports of the worms. This was habit. As a sportsman, years that I carried a gun my excitement in ornithology, and sought only to find out a few that I am now inclined to the study of studying ornithology than the study of the habits of the birds. I have been willing to omit the objection on the score of doubt if equally valuable sports, and when some of my friends have asked their boys, whether they should be allowed, yes, — remembering the sports of my education, — make them sports at first, if possible, mighty sports, and will not find game large enough to fill the noble wilderness, — hunters as well as sportsmen of the opinion of Chaucer.

Local Colour Vladimir Kapor,2009 Local colour is an undertheorized notion Although the expression itself is nowadays used in everyday speech in both French and English its domestication only further highlights the need for a clarifying study of this concept which has come to be crucial in aesthetic debates From the seventeenth century rift between Poussinistes and Rub nistes to the genesis of Romanticist aesthetic theories in early nineteenth century France to the North American regionalist prose of the Local colour movement from Roger de Piles to Benjamin Constant Victor Hugo Prosper M rim e and Hamlin Garland this book sets out to map for the first time couleur locale s three hundred year journey across centuries languages and genres In addition to proposing a genealogy of the concept and the paths of its semantic evolution it also initiates a reflection on the factors that could have prompted the mobility of the term across cultures art forms and their metalanguages

Close Reading and Its Alternatives Mun-Hou Lo,2025-11-20 Close Reading and Its Alternatives provides an up to date and consolidated history of the literary and analytical technique and philosophy of close reading It offers an essential guide to the features and genealogies of close reading and how it intersects with literary theories like feminist criticism queer theory cultural studies digital humanities game studies and more Divided into five parts the book contains 21 influential essays on close reading and on alternative methods that have arisen in the past few decades These primary texts are contextualized by and analyzed in six original and insightful introductions These works combine to trace the invention of close reading around the time of New Criticism The book then shows how close reading evolved when it is taken up by poststructuralist thought such as Marxism deconstruction and New Historicism Turning to the twenty first century the volume explores the rise of the critiques of close reading that are distinguished by their attempts to offer alternative methods distant reading reparative reading just and surface reading and thin description and too close reading Close reading is inescapably central in the field of literary studies and beyond This comprehensive resource will enhance understanding and enrich the reading experience of students and teachers of literature

English Literature: The Historical Flow Dr. Prohlad Roy,2014-12-29 Of the actual facts concerning the origin of English literature we know little indeed Nearly all the literary history of the period as far as it concerns the lives of actual writers is a series of skilful reconstructions based on the texts fortified by some scanty contemporary references Such as those of Bede and topped with a mass of conjecture The Anglo Saxon literature is the work of clerks who lived from the seventh to the eleventh century If they did not create all of it they preserved it all it is an essential Christian literature
