

A NEW INSURGENCY: THE PORT HURON STATEMENT AND ITS TIMES

**VOICES OF PROTEST THAT SHOOK THE SIXTIES
ACTIVISTS, ORGANIZERS, AND VISIONS OF CHANGE
REMEMBERED NOW, IN ANOTHER TIME OF DISSENT**

**EDITED BY
HOWARD BRICK &
GREGORY PARKER**

A New Insurgency The Port Huron Statement And Its Times

H Kauffman

A New Insurgency The Port Huron Statement And Its Times:

A New Insurgency Howard Brick, Gregory L. Parker, 2015 Students for a Democratic Society SDS was just one of several new insurgent movements for democracy and social justice during the late 1950s and early 1960s and it must be understood in the context of other causes and organizations in the United States and abroad that inspired its founding manifesto the Port Huron Statement In *A New Insurgency The Port Huron Statement and Its Times* a diverse group of more than forty scholars and activists take a transnational approach in order to explore the different though often interconnected campaigns that mobilized people along varied racial ethnic gender and regional dimensions from the birth of the New Left in the civil rights and pacifist agitation of the 1950s to the Occupy movements of today This volume features three never before published manifesto drafts written by Tom Hayden in early 1962 that generated the discussion leading to the Port Huron meeting Other highlights include recollections from leading women in the Port Huron deliberations who three years later protested the subordination of women within the radical movements thus setting the stage for the rise of women's liberation *A New Insurgency* is based on the University of Michigan's conference commemorating the fiftieth anniversary of the Port Huron Statement in 2012 Blurb The fiftieth anniversary of the Port Huron Statement has drawn a great number of reflections and commemorations but this carefully conceived volume offers an account of unrivaled ambition exceptional breadth and surprising insight It both excavates the event itself vividly perceptively exhaustively and gives it the largest and most illuminating of contexts *A New Insurgency* is as close to definitive as any volume of this kind can become Geoff Eley Karl Pohrt Distinguished University Professor of Contemporary History University of Michigan *A New Insurgency*, 2012

Heavy Radicals: The FBI's Secret War on America's Maoists Aaron J. Leonard, 2022-11-25 *Heavy Radicals* The FBI's Secret War on America's Maoists is a history of the Revolutionary Union Revolutionary Communist Party the largest Maoist organization to arise in the US from its origins in the explosive year of 1968 its expansion into a national organization in the early 70s its extension into major industry throughout the early part of that decade and the devastating schism in the aftermath of the death of Mao Tse tung to its ultimate decline as the 1970s turned into the 1980s From its beginnings the grouping was the focus of J Edgar Hoover and other top FBI officials for an unrelenting array of operations Informant penetration setting organizations against each other setting up phony communist collectives for infiltration and disruption planting of phone taps and microphones in apartments break ins to steal membership lists the use of FBI friendly journalists such as Victor Riesel and Ed Montgomery to undermine the group and much more It is the story of a sizable section of the radicalized youth whose radicalism did not disappear at the end of the 60s and of the FBI's largest and up to now untold campaign against it **Democracy's Think Tank** Brian S. Mueller, 2021-07-02 In *Democracy's Think Tank* Brian S Mueller places the Institute for Policy Studies IPS at the center of a network of activists involved in making the world safe for diversity Unlike defense intellectuals at the RAND Corporation and other think tanks responsible for formulating military

strategy the peace intellectuals at IPS developed blueprints for an alternative to the U S led world order As the Iron Curtain fell across Eastern Europe a triumphalist Cold War narrative emerged proclaiming victory for freedom democracy and free enterprise over totalitarianism Yet for the peace intellectuals at IPS the occasion did not merit celebration Since its doors opened in 1963 IPS refused to embrace American exceptionalism and waged a battle against the Cold War and its liberal anti communist supporters As IPS founders Marcus Raskin and Richard Barnet saw it in the process of fighting communism and preserving the liberal capitalist order Cold War liberals had forsaken democracy Democracy s Think Tank tells the story of IPS s crusade to resurrect democracy at home and abroad Borrowing from populist progressive and New Left traditions IPS challenged elite expertise and sought to restore power to the people To this end IPS in the words of journalist I F Stone served as the institute for the rest of us Mueller tells the story of IPS s involvement in a broad range of grassroots campaigns aimed at ending the Cold War and increasing participatory democracy in the United States and across the globe

Contemporary observers seeking an alternative to American empire in the twenty first century will find Democracy s Think Tank offers several possible paths toward a more democratic order **Solidarity across the Americas** Margaret M.

Power,2023-02-16 The Puerto Rican Nationalist Party PNPR understood that to successfully establish an independent nation it needed to generate solidarity across the Americas with its struggle against US colonial rule It invested significant energy personnel and resources in attending regional conferences distributing its literature throughout the hemisphere creating solidarity committees presenting its case to elected officials and the general public and promoting the causes of oppressed peoples The hemispheric outpourings of solidarity with Puerto Rican independence have been obscured by larger later liberation movements as well as the anticolonial party s ultimate failure to achieve independence However as this book shows they were nonetheless central to anti imperialists nationalists and revolutionaries from New York City to Buenos Aires Margaret M Power s new history of the PNPR focuses on how it built a broad movement with active networks in virtually all of Latin America much of the Caribbean and New York City This hemispheric view introduces a sprawling transnational network nurtured by the PNPR from its founding in 1922 through its military actions of the 1950s and beyond that included individuals parties organizations and governments throughout the Americas and it resituates the Puerto Rican nationalist movement as a transnational revolutionary influence and force **Rethinking Social Movements after '68** Belinda

Davis,Friederike Brühöfener,Stephen Milder,2022-07-08 The year 1968 has widely been viewed as the only major watershed moment during the latter half of the twentieth century Rethinking Social Movements after 68 takes on this conventional approach exploring the spaces practices organization ideas and agendas of numerous activists and movements across the 1970s and 1980s From the Maoist Communist League to the women s movement youth center movement and gay liberation movement established and emerging scholars across Europe and North America shed new light on the development of modern European popular politics and social change *My Life, My Body* Marge Piercy,2015-09-01 In a candid and intimate

new collection of essays poems memoirs reviews rants and raileries Piercy discusses her own development as a working class feminist the highs and lows of TV culture the ego dances of a writer s life the homeless and the housewife Allen Ginsberg and Marilyn Monroe feminist utopias and why she doesn t live in one why fiction isn t physics and of course fame sex and money not necessarily in that order The short essays poems and personal memoirs intermingle like shards of glass that shine reflect and cut Always personal yet always political Piercy s work is drawn from a deep well of feminist and political activism Also featured is our Outspoken Interview in which the author lays out her personal rules for living on Cape Cod finding your poetic voice and making friends in Cuba

Marxism and America Christopher Phelps, Robin Vandome, 2021-06-08 In *Marxism and America* an accomplished group of scholars reconsiders the relationship of the United States to the theoretical tradition derived from Karl Marx In brand new essays that cover the period from the nineteenth century when Marx wrote for American newspapers to the present when a millennial socialism has emerged inspired by the presidential campaigns of Bernie Sanders the contributors take up topics ranging from memory of the Civil War to feminist debates over sexuality and pornography Along the way they clarify the relationship of race and democracy the promise and perils of the American political tradition and the prospects for class politics today *Marxism and America* sheds new light on old questions helping to explain why socialism has been so difficult to establish in the United States even as it has exerted a notable influence in American thought

Faith and Power Felipe Hinojosa, Maggie Elmore, Sergio M. González, 2022-02-22 *Illuminates how religion has shaped Latino politics and community building Too often religious politics are considered peripheral to social movements not central to them Faith and Power Latino Religious Politics Since 1945* seeks to correct this misinterpretation focusing on the post World War II era It shows that the religious politics of this period were central to secular community building and resistance efforts The volume traces the interplay between Latino religions and a variety of pivotal movements from the farm worker movement to the sanctuary movement offering breadth and nuance to this history This illuminates how broader currents involving immigration refugee policies de industrialization the rise of the religious left and right and the Chicana o immigrant and Puerto Rican civil rights movements helped to give rise to political engagement among Latino religious actors By addressing both the influence of these larger trends on religious movements and how the religious movements in turn helped to shape larger political currents the volume offers a compelling look at the twentieth century struggle for justice

New Mexico's Moses Ramón A. Gutiérrez, 2022-06 In *New Mexico's Moses* Ram n A Guti rrez dives deeply into Reies L pez Tijerina s religious formation during the 1940s and 1950s illustrating how his Pentecostal foundation remained an integral part of his psyche even as he migrated toward social movement politics An Assemblies of God evangelist turned Pentecostal itinerant preacher Tijerina used his secularized apocalyptic theology to inspire the dispossessed heirs of Spanish and Mexican land grants fighting to recuperate ancestral lands throughout northern New Mexico and the Southwest Using Tijerina s collected sermons Guti rrez demonstrates the ways in which biblical prophecy

influenced Tijerina throughout his life from his early days as a preacher to his leadership of the Alianza Federal de Mercedes. Tijerina sought justice for those who had lost their lands and was determined to eradicate the most egregious forms of racism and to valorize the language and culture of Mexicanos. Translated into English for the first time here, Tijerina's sermons serve as a blueprint for the religious origins of the Mexican American Civil Rights Movement.

Unveiling the Magic of Words: A Overview of "**A New Insurgency The Port Huron Statement And Its Times**"

In a global defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. A New Insurgency The Port Huron Statement And Its Times Introduction

In the digital age, access to information has become easier than ever before. The ability to download A New Insurgency The Port Huron Statement And Its Times has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download A New Insurgency The Port Huron Statement And Its Times has opened up a world of possibilities. Downloading A New Insurgency The Port Huron Statement And Its Times provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading A New Insurgency The Port Huron Statement And Its Times has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download A New Insurgency The Port Huron Statement And Its Times. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading A New Insurgency The Port Huron Statement And Its Times. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading A New Insurgency The Port Huron Statement And Its Times, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves,

individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download A New Insurgency The Port Huron Statement And Its Times has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About A New Insurgency The Port Huron Statement And Its Times Books

1. Where can I buy A New Insurgency The Port Huron Statement And Its Times books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
