A Place Called Home Richard O. Davies, David R. Pichaske, Joseph Anthony Amato, 2003 2004 Minnesota Book Award

Winner The Midwestern small town has long held an iconic place in American culture from the imaginings of Sinclair Lewis's Main Street and Sherwood Anderson's Winesburg, Ohio to Garrison Keillor's Lake Wobegon. But the reality is much more complex as the small town has been a study in transition from its very inception. In *A Place Called Home*, editors Richard O. Davies, Joseph A. Amato, and David R. Pichaske offer the first comprehensive examination of the Midwestern small town and its evolving nature from the 1800s to the present. This rich collection, gleaned from the best writings of historians, novelists, social scientists, poets, and journalists, features not only such well-known authors as Sherwood Anderson, Carol Bly, Willa Cather, Hamlin Garland, Langston Hughes, Garrison Keillor, William Kloefkorn, Sinclair Lewis, Susan Allen Toth, and Mark Twain, but also many lesser-known and exceptionally talented writers. Five chronological sections trace the founding, growth, and decline of the Midwestern town, and introductory comments illuminate its ever-changing face. The result is a wide-ranging collection of writings on the community at the heart of America.

In the event of my granddaughter's death, everything will go to Vince Jeffers. Jeffers watched her with an evil look that made her shiver. Now, afraid of what might happen, she was obeying a note she had received saying she was in danger and must leave town immediately. After escaping to the community of Baxter, Christine begins to piece together a new life. The love she finds there, along with newfound faith, sustains her as she faces the threat of danger.

Lost and Found Groom (A Place Called Home western romance series, Book 1) Patricia McLinn, 2014-03-09 A stranger rescues her, then disappears when she needs him most. Until he knocks on her door years later and half a world away. Journalist Kendra Jenner chases the biggest story of her career to find the truth behind a mysterious outlaw figure who defies danger to help the neediest caught in conflict in Santa Estella. On assignment on the distant island to be the first to unmask the man viewed as a local superhero, Kendra finds herself in the middle of a vicious hurricane. Jolted out of her usual hard-headedness, she also finds herself unexpectedly in the arms of her guide, Paulo, who speaks virtually no English. Fear leads to a passion that months later brings a baby. But the stranger disappeared, and her search to tell him he's a father is fruitless. Paulo doesn't exist. Kendra returns to her family and their much-loved ranch to raise her son as a single parent. Three years later, Paulo shocks her by showing up at her Wyoming home, identifying himself as Daniel Delligati. He says he's come for his son and for her. As a military pilot, Daniel was trained for toughness and to keep secrets, including his real identity, his history, and his heart. Kendra won't make the mistake again of letting her guard down with this man, despite her toddler son and her meddling family, no matter how hot Daniel is. Can they have a second chance at love when they never had a first chance? Far Hills Ranch has bound together the Susland family for
