A Political Theology Of Climate Change:

A Political Theology of Climate Change Michael S. Northcott, 2013-11-30 Cover Dedication Contents Acknowledgements 1 The Geopolitics of a Slow Catastrophe 2 Coal Cosmos and Creation 3 Engineering the Air 4 Carbon Indulgences Ecological Debt and Metabolic Rift 5 The Crisis of Cosmopolitan Reason 6 The Nomos of the Earth and Governing the Anthropocene 7 Revolutionary Messianism and the End of Empire Index

A Radical Political Theology for the Anthropocene Era Ryan LaMothe, 2021-11-18 Given the fierce urgency of now this important book confronts and addresses key problems and questions of political theology with the aim of proposing a radical political theology for the Anthropocene Age LaMothe invites readers to think and be otherwise in living lives in common with all other human beings and other than human beings that dwell on this one earth

A Political Theology of Vulnerability Sturla J. Stålsett, 2023-06-26 Vulnerability is at the core of the political drama of our time Countering conventional approaches this book presents human vulnerability as a source of political community and a potential for political agency in precarity Analyzing Christian celebrations of Christmas and Easter in contexts of struggle it shows how religious resources inspire precarious politics Combining critical political theory liberation theology and lived religion Sturla J. Stålsett sees in such celebrations a political sacralization of vulnerability and a dispossession of divinity

Systematic Theology and Climate Change Michael S. Northcott, Peter M. Scott, 2014-06-05 This book offers the first comprehensive systematic theological reflection on arguably the most serious issue facing humanity and other creatures today Responding to climate change is often left to scientists policy makers and activists but what understanding does theology have to offer In this collection the authors demonstrate that there is vital cultural and intellectual work for theologians to perform in responding to climate science and in commending a habitable way forward Written from a range of denominations and traditions yet with ecumenical intent the authors explore key Christian doctrines and engage with some of the profound issues raised by climate change Key questions considered include What may be said about the goodness of creation in the face of anthropogenic climate change And how does theology handle a projected future without the human The volume provides students and scholars with fascinating theological insight into the complexity of climate change

Political Theology on Edge Clayton Crockett, Catherine Keller, 2021-12-07 In Political Theology on Edge the discourse of political theology is seen as situated on an edge that is on the edge of a world that is grappling with global warming a brutal form of neoliberal capitalism protests against racism and police brutality and the COVID 19 pandemic This edge is also a form of eschatology that forces us to imagine new ways of being religious and political in our cohabitation of a fragile and shared planet Each of the essays in this volume attends to how climate change and our ecological crises intersect and interact with more traditional themes of political theology While the tradition of political theology is often associated with philosophical responses to the work of Carl Schmitt and the critical attempts to disengage religion from his rightwing politics the contributors to this volume are informed by Schmitt but not limited to his perspectives They engage and

transform political theology from the standpoint of climate change the politics of race and non Christian political theologies including Islam and Sikhism Important themes include the Anthropocene ecology capitalism sovereignty Black Lives Matter affect theory continental philosophy destruction and suicide This book features world renowned scholars and emerging voices that together open up the tradition of political theology to new ideas and new ways of thinking Contributors Gil Anidjar Balbinder Singh Bhogal J Kameron Carter William E Connolly Kelly Brown Douglas Seth Gaiters Lisa Gasson Gardner Winfred Goodwin Lawrence Hillis Mehmet Karabela Michael Northcott Austin Roberts No lle Vahanian Larry L Welborn

Political Theology of the Earth Catherine Keller, 2018-10-30 Amid melting glaciers rising waters and spreading droughts Earth has ceased to tolerate our pretense of mastery over it But how can we confront climate change when political crises keep exploding in the present Noted ecotheologian and feminist philosopher of religion Catherine Keller reads the feedback loop of political and ecological depredation as secularized apocalypse Carl Schmitt s political theology of the sovereign exception sheds light on present ideological warfare racial ethnic economic and sexual conflict and hubristic anthropocentrism If the politics of exceptionalism are theological in origin she asks should we not enlist the world s religious communities as part of the resistance Keller calls for dissolving the opposition between the religious and the secular in favor of a broad planetary movement for social and ecological justice When we are confronted by populist authoritarian right wings founded on white male Christian supremacism we can counter with a messianically charged often unspoken theology of the now moment calling for a complex new public Such a political theology of the earth activates the world s entangled populations joined in solidarity and committed to revolutionary solutions to the entwined crises of the Anthropocene T&T Clark Handbook of Christian Theology and Climate Change Hilda P. Koster, Ernst M. Conradie, 2019-12-12 The T these essays are critically engaged by respondents situated in other geographic regions minority communities non Christian traditions or non theological disciplines Structured in seven main parts the handbook explores 1 the need for collaboration with disciplines outside of Christian theology to address climate change 2 the need to find common moral ground for such collaboration 3 the difficulties posed by collaborating with other Christian traditions from within 4 the questions that emerge from such collaboration for understanding the story of God s work and 5 God s identity and character 6 the implications of such collaboration for ecclesial praxis and 7 concluding reflections examining whether this volume does justice to issues of race gender class other animals religious diversity geographical divides and carbon mitigation This rich ecumenical cross cultural conversation provides a comprehensive and in depth engagement with the theological and moral challenges raised by anthropogenic climate change The Political Theology of Pope Francis Ole Jakob Løland, 2022-12-30 This book explores the political dimension of Pope Francis theology from a variety of perspectives and makes a unique contribution to the ongoing historiography of his pontificate It defines the concept of political theology when applied to Pope Francis discourse and reflects on the portrayal of him as the voice of Latin America a great reformer and a revolutionary The chapters offer a

thorough investigation of core texts and key moments in Pope Francis papacy 2013 focusing in particular on their relation to canon theory liberation theology the rise of populism and gender issues As well as documenting some of the continuities between the ideas of Pope Francis and his predecessor Benedict XVI the author asks what the Argentinian pontiff has brought from Latin America and considers the Latin American dimension to what has become known as the Francis effect Overall the book demonstrates how the Pope's words and actions constitute a powerful political theology disseminated from a unique religious and institutional position It will be of interest to scholars of theology religion and politics particularly those with a focus on world Catholicism political theology and church history *Wiley Blackwell Companion to Political Theology*

William T. Cavanaugh, Peter Manley Scott, 2019-03-11 Offers a comprehensive survey and interpretation of contemporary Christian political theology in a newly revised and expanded edition This book presents the latest thinking on the topic of contemporary Christian political theology with original and constructive essays that represent a range of opinions on various topics With contributions from expert scholars in the field it reflects a broad range of methodologies ecclesial traditions and geographic and social locations and provides a sense of the diversity of political theologies It also addresses the primary resources of the Christian tradition which theologians draw on when constructing political theologies and surveys some of the most important figures and movements in political theology This revised and expanded edition provides the most comprehensive and accessible introduction to this lively and growing area of Christian theology Organized into five sections *Wiley Blackwell Companion to Political Theology* Second Edition addresses the many changes that have occurred over the last 15 years within the field of political theology It features new essays that address social developments and movements such as Anglican Social Thought John Milbank Anabaptist Political Theologies African Political Theologies Postcolonialism Political Economy Technology and Virtuality and Grass roots Movements The book also includes a new essay on the reception of Liberation Theology Offers essays on topics such as the Trinity atonement and eschatology Features contributions from leading voices in the field of political theology Includes all new entries covering fresh developments and movements like the urgency of climate change virtuality and the digital age the economic crisis of 2008 the discourse of religion and violence and new modalities of war Addresses some important social movements from a theological point of view including postmodernism grass roots movements and more Provides both Islamic and Jewish responses to political theology Written for academics and students of political theology *Wiley Blackwell Companion to Political Theology* 2nd Edition is an enlightening read that offers a wide range of authoritative essays from some of the most notable scholars in the field *Political Trauma and Healing*

Mark G. Brett, 2016-05-27 How can Scripture address the crucial justice issues of our time In this book Mark Brett offers a careful reading of biblical texts that speak to such pressing public issues as the legacies of colonialism the demands of asylum seekers the challenges of climate change and the shaping of redemptive economies Brett argues that the Hebrew Bible can be read as a series of reflections on political trauma and healing the long saga of successive ancient empires

violently asserting their sovereignty over Israel and of the Israelites forced to live out new pathways toward restoration Brett retrieves the prophetic voice of Scripture and applies it to our contemporary world addressing current justice issues in a relevant constructive compelling manner
