## **Authenticity Autonomy And Multiculturalism Routledge Studies In Social And Political Thought:**

**Authenticity, Autonomy and Multiculturalism** Geoffrey Brahm Levey, 2015-05-01 The concept of authenticity enters multicultural politics in three distinct but interrelated senses as an ideal of individual and group identity that commands recognition by others as a condition of individuals autonomy that bestows legitimacy on their values beliefs and preferences as being their own and as a form of cultural pedigree that bestows legitimacy on particular beliefs and practices commonly called cultural authenticity In each case the authenticity idea is called on to anchor or legitimate claims to some kind of public recognition The considerable work asked of this concept raises a number of vital questions Should authenticity be accorded the importance it holds in multicultural politics Do its pitfalls outweigh its utility Is the notion of authenticity avoidable in making sense of and evaluating cultural claims Or does it perhaps need to be rethought or recalibrated Geoffrey Brahm Levey and his distinguished group of philosophers political theorists and anthropologists challenge conventional assumptions about authenticity that inform liberal responses to minority cultural claims in Western democracies today Discussing a wide range of cases drawn from Britain and continental Europe North America Australia and the Middle East they press beyond theories to consider also the practical and policy implications at stake A helpful resource to scholars worldwide in Political and Social Theory Political Philosophy Legal Anthropology Multiculturalism and more generally of cultural identity and diversity in liberal democracies today

**Authenticity, Autonomy and Multiculturalism** Geoffrey Brahm Levey, 2015-05-01 The concept of authenticity enters multicultural politics in three distinct but interrelated senses as an ideal of individual and group identity that commands recognition by others as a condition of individuals autonomy that bestows legitimacy on their values beliefs and preferences as being their own and as a form of cultural pedigree that bestows legitimacy on particular beliefs and practices commonly called cultural authenticity In each case the authenticity idea is called on to anchor or legitimate claims to some kind of public recognition The considerable work asked of this concept raises a number of vital questions Should authenticity be accorded the importance it holds in multicultural politics Do its pitfalls outweigh its utility Is the notion of authenticity avoidable in making sense of and evaluating cultural claims Or does it perhaps need to be rethought or recalibrated Geoffrey Brahm Levey and his distinguished group of philosophers political theorists and anthropologists challenge conventional assumptions about authenticity that inform liberal responses to minority cultural claims in Western democracies today Discussing a wide range of cases drawn from Britain and continental Europe North America Australia and the Middle East they press beyond theories to consider also the practical and policy implications at stake A helpful resource to scholars worldwide in Political and Social Theory Political Philosophy Legal Anthropology Multiculturalism and more generally of cultural identity and diversity in liberal democracies today

**Jürgen Habermas and the European Economic Crisis** Gaspare M. Genna, Thomas O. Haakenson, Ian W. Wilson, 2016-05-20 The European Union entered into an economic crisis in late 2009 that was sparked by bank bailouts and led to large unsustainable

sovereign debt The crisis was European in scale but hit some countries in the Eurozone harder than others Despite the plethora of writings devoted to the economic crisis in Europe present understandings of how the political decisions would influence the integration project continue to remain vague What does it actually mean to be European Is Europe still a collection of peoples that rallied together during good times and then retreat to nationalism when challenges appear Or has Europe adopted a common identity that would foster solidarity during hard times This book provides its reader with a fresh perspective on the importance identity has on the functioning of the European Union as exemplified in Jürgen Habermas seminal text *The Crisis of the European Union A Response* Rather than exploring the causes of the crisis the contributors examine the current state of European identity to determine the likelihood of implementing Habermas suggestions The contributor s interdisciplinary approach is organized into four parts and examines the following key areas of concern Habermas arguments placing them into their historical context To which degree do Europeans share the ideals Habermas describes as crucial to his program of reform Influence of Habermas cosmopolitanism through religious and literary lenses Impact of Habermas notions in the arenas of education national economies austerity and human rights Jürgen Habermas and the European Economic Crisis will be read by scholars in the fields of Political Theory and Philosophy European Politics and Cultural Studies

Gramsci's Critique of Civil Society Marco Fonseca, 2016-03-31 Antonio Gramsci was an Italian Marxist thinker whose radical ideas on how to build an alternative world from below remain vigorously relevant today Gramsci s philosophy of praxis critically dissects the institutions of modern liberal democracy to reveal what is perhaps its deepest secret it is the most successful political system in modernity at preserving an objective condition of domination while transforming it into a subjective conviction of freedom Based on a careful reading of Gramsci s *The Prison Notebooks* Marco Fonseca shows hegemony as more than leadership of elites over subaltern majorities based on consent Following Gramsci s critique of citizenship civil society and democracy including the current project of neoliberal democracy promotion particularly in the Global South he discloses a hidden process of hegemony that generates the preconditions for consent and thus successful domination As the struggles from Zapatismo to Chavismo and from the Arab Springs to Spain s Podemos show liberation is not possible without counter hegemony This book will be of interest to activist scholars engaged in the study of Marxism Gramsci political philosophy and contemporary debates about the renewal of Marxist thought and the relevance of revolution and Communism for the twenty first century

*Personal Autonomy in Plural Societies* Marie-Claire Foblets, Michele Graziadei, Alison Dundes Renteln, 2017-11-22 This volume addresses the exercise of personal autonomy in contemporary situations of normative pluralism In the Western liberal tradition from a strictly legal and theoretical perspective the social individual has the right to exercise the autonomy of his or her will In a context of legal plurality however personal autonomy becomes more complicated Can and should personal autonomy be recognized as a legal foundation for protecting a person s freedom to renounce what others view as his or her fundamental human rights This

collection develops an interdisciplinary conceptual framework to address these questions and presents empirical studies examining the gap between the principle of personal autonomy and its implementation In a context of cultural diversity this gap manifests itself in two particular ways First not every culture gives the same pre eminence to personal autonomy when examining the legal effects of an individual s acts Second in a society characterized by weak pluralism the legal assessment of personal autonomy often favours the views of the dominant majority In highlighting these diverse perspectives and problematizing the so called guardian function of human rights i e purporting to protect weaker parties by limiting their personal autonomy in the name of gender equality fair trial etc this book offers a nuanced approach to the principle of autonomy and addresses the questions of whether it can effectively be deployed in situations of internormativity and what conditions must be met in order to ensure that it is not rendered devoid of all meaning

**Novels and the Sociology of the Contemporary** Arpad Szakolczai, 2016-04-14 This book substantiates two claims First the modern world was not simply produced by objective factors rooted in geographical discoveries and scientific inventions to be traced to economic technological or political factors but is the outcome of social cultural and spiritual processes Among such factors beyond the Protestant ethic Max Weber the rise of the absolutist state and its disciplinary network Michel Foucault or court society Norbert Elias a prime role is played by theatre The modern reality is deeply theatricalized Second a special access for studying this theatricalized world is offered by novels The best classical novels not simply can be interpreted as describing a world like the theatre but they capture and present a world that has become thoroughly transformed into a global theatre The theatre effectively transformed the world and classical novels effectively analyze this theatricalized reality much better than the main instruments supposedly destined to study reality philosophy and sociology Thus instead of using the technique of sociology to analyze novels the book will treat novels as a royal road to analyze a theatricalized reality in order to find our way back to a genuine and meaningful life

**Interculturalism at the crossroads** Mansouri, Fethi, 2017-05-08

**Multiculturalism in the British Commonwealth** Richard T. Ashcroft, Mark Bevir, 2019-07-12 At publication date a free ebook version of this title will be available through Luminos University of California Press s Open Access publishing program Visit [www.luminosoa.org](http://www.luminosoa.org) to learn more Multiculturalism as a distinct form of liberal democratic governance gained widespread acceptance after World War II but in recent years this consensus has been fractured Multiculturalism in the British Commonwealth examines cultural diversity across the postwar Commonwealth situating modern multiculturalism in its national international and historical contexts Bringing together practitioners from across the humanities and social sciences to explore the legal political and philosophical issues involved these essays address common questions What is postwar multiculturalism Why did it come about How have social actors responded to it In addition to chapters on Australia Britain Canada and New Zealand this volume also covers India Malaysia Nigeria Singapore and Trinidad tracing the historical roots of contemporary dilemmas back to the intertwined legacies of imperialism and liberalism In so doing it

demonstrates that multiculturalism has implications that stretch far beyond its current formulations in public and academic discourse

**Liberty, Toleration and Equality** John William Tate, 2016-06-10 The seventeenth century English philosopher John Locke is widely recognized as one of the seminal sources of the modern liberal tradition Liberty Toleration and Equality examines the development of Locke's ideal of toleration from its beginnings to the culmination of this development in Locke's fifteen year debate with his great antagonist the Anglican clergyman Jonas Proast Locke like Proast was a sincere Christian but unlike Proast Locke was able to develop over time a perspective on toleration which allowed him to concede liberty to competing views which he personally perceived to be false and absurd In this respect Locke sought to affirm what has since become the basic liberal principle that liberty and toleration are most significant when they are accorded to views to which we ourselves are profoundly at odds John William Tate seeks to show how Locke was able to develop this position on toleration over a long intellectual career Tate also challenges some of the most prominent contemporary perspectives on Locke within the academic literature showing how these fall short of perceiving what is essential to Locke's position

**Multiculturalism and Interculturalism** Nasar Meer, 2016-02-02 Both interculturalism and multiculturalism address the question of how states should forge unity from ethnic cultural and religious diversity But what are the dividing lines between interculturalism and multiculturalism This volume brings together some of the most prominent scholars in the field to address these two different approaches With a Foreword by Charles Taylor and an Afterword by Bhikhu Parekh this collection spans European North American and Latin American debates

Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Authenticity Autonomy And Multiculturalism Routledge Studies In Social And Political Thought full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Authenticity Autonomy And Multiculturalism Routledge Studies In Social And Political Thought eBooks, including some popular titles.

## **FAQs About Authenticity Autonomy And Multiculturalism Routledge Studies In Social And Political Thought Books**

**What is a Authenticity Autonomy And Multiculturalism Routledge Studies In Social And Political Thought PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Authenticity Autonomy And Multiculturalism Routledge Studies In Social And Political Thought PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Authenticity Autonomy And Multiculturalism Routledge Studies In Social And Political Thought PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Authenticity Autonomy And Multiculturalism Routledge Studies In Social And Political Thought PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Authenticity Autonomy And Multiculturalism Routledge Studies In Social And Political Thought PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. **How do I compress a PDF file?** You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. **Can I fill out forms in a PDF file?** Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. **Are there any restrictions when working with PDFs?** Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
