**Blood Rites** Quinn Loftis, 2011-11-18 With the challenge complete and the corrupt Alpha of Coldspring defeated Fane is now free to complete the mate bond with Jacque and perform the Blood Rites Although the challenge is done the effects are far reaching Once it is known that Vasile one of the strongest Alphas in the world is in America specifically Coldspring TX there is one Alpha who cannot overlook the significance of this An Alpha who happens to share Jacque s DNA but is this the one she needs to fear With her mom driving and her two best friends Jen and Sally in tow Jacque set off for her happily ever after She will soon realize a plan has been put in motion that will change her course and possibly tear her from Fane s grasp forever It will take a wolf pack her mother s love her two best friend s unrelenting determination her own will to survive and the undying love of her mate to bring her home The question remains if she fights if she endures who will she be what will be left once she is back in her mate s arms

[The Grey Wolves Series Collection Books 1-3](#) Quinn Loftis, 2019-03-04 Begin the award winning Grey Wolves Series with the first three books Prince of Wolves Blood Rites and Just one Drop The Grey Wolves Series follows the adventures of three high school seniors Jacque Jen and Sally as the girls are introduced to the hidden world of the Romanian grey wolves The grey wolves universe is populated with dominant Alpha male werewolves who slowly succumb to the darkness within them unless they find their true mates It just so happens these three ladies are destined to become true mates to some of the most powerful males in the Canis lupus world But destiny won t be fulfilled without a fight Female Canis lupus are few and far between and sinister dominant wolves will rise to challenge for the right to mate with these new unique females The ensuing chaos will undermine the strength of the packs just when a new threat to the Canis lupus world emerges one that can only be defeated by the strength that comes from the special union of true mates

**Wolf Of Sight** Quinn Loftis, 2019-09-25 To become a witch or not to become a witch That is the question At least that s the question Kara Heather and Stella three of the gypsy healers are facing The high fae ambassador Perizada the healers and a host of wolves are in a race against time to create the witch army that Volcan desires But they must also keep the gypsy healers beings of pure light and goodness from becoming evil in the process Should be a piece of cake Meanwhile the werewolf males are fighting their innate hunger to mark their mates and finish the Blood Rites thereby keeping their own darkness at bay If they remain unbound a chink forms in the packs armor one that Volcan won t hesitate to exploit when he finds it

**The Hybrid Rule** Quinn Loftis, 2023-03-28 So many impossibly powerful foes have opposed the wolves and their allies over the years Evil witches warlocks fae elves and alphas just to name a few And all have found the pack too strong to break But the foe hellbent on taking down the pack now the vampire king Cain has a plan that might finally tip the balance of power away from the wolves In the middle of the desert Cain works desperately to find a way to mix the blood of wolves and vampires While most find the idea reprehensible Cain believes it is the key to his victory He imagines an army of unstoppable hybrids with the combined power of the vampires and the Canis lupus Such a force would be unstoppable even for the

powerful of alpha of alphas Fane Lupei And Cain just might have found the secret ingredient necessary to bring his plans to fruition *Jewel of Darkness* Quinn Loftis,2015-12-29 Dalton Black never thought he d find his true mate His dark past convinced him that he could never be worthy of one but the Great Luna did not agree She saw fit to give him a gypsy healer the purest of heart among their kind And now that he s finally found her she slips through his grasp and into the hands of Volcan a corrupt high fae driven mad by his own need for power Now Dalton with help from his own powerful friends must find Jewel and rescue her before Volcan can use her blood to create witches and once again throw off the balance of good and evil As their journey begins Perizada will once again lead a group of wolves on a hunt to bring down evil but little do they know that Volcan is just a drop of blood in the sea of supernatural beings about to darken their path *The Grey Wolves Novella Collection* Quinn Loftis,2021-01-13 A pack is made up of many members And each of those members has his or her own story to tell The following is a collection of four stories of the Romanian Greys and their allies Sacred Silence I thought nothing could be eviler than Desdemona or Reyaz or any other villain we ve faced down I was wrong I read all the books I could devour on the beauty of parenthood I thought I was ready But nothing could have prepared me for the hurricane of jacked up emotional chaos otherwise known as post partum hormones Jen Resounding Silence Duty sacrifice service and discipline These were the characteristics that described Cyn the warrior fae Though love was out of her reach she thought this life was all she needed She had never been more wrong A chance meeting with the Prince of the Elves turns her carefully structured world upside down Piercing Silence It s been six months since Jacque Lupei was imprisoned in the dark forest with her female pack mates wondering if they would ever see their mates again Six months since she and Fane found out that Jen and Decebel would not be the only couple adding a new pup to the pack Six months of peace and quiet other than Jen running her mouth incessantly about Sally getting to go on an adventure with Peri while she has to miss all the fun When she isn t complaining about that she spends her time commenting on how Jacque s butt is getting wider by the minute Jacque doesn t know it but the reprieve was about to be over Forgotten Silence Filthy Disgusting Unworthy trash The same thoughts keep swirling in Sally s mind She s broken and no one can fix her not her friends try as they might and not her beautiful mate She d thought when Costin had rescued her from Jericho s clutches broken the spell the rogue werewolf had cast on her and left the cur lying in bloody pieces on the floor of an Ocean Side bar that one day she might find some peace Perhaps with time she could forget the horrible things she d done Perhaps she could forget how she had betrayed her one true mate Now several weeks later the memories and the nightmares have only grown stronger **Blood Rites** Asa Hooker,2014-03 **Blood Rites** Barry Nazarian,2013 Blood Rites Samuel Coale,1998-01-01 **Blood Rites** ,
