All Roads Led to Gettysburg Troy D. Harman, 2022-08-15 It has long been a trope of Civil War history that Gettysburg was an accidental

battlefield General Lee the old story goes marched blindly into Pennsylvania while his chief cavalryman Jeb Stuart rode and raided incommunicado Meanwhile General Meade in command only a few days gave uncertain chase to an enemy whose exact positions he did not know And so these ignorant armies clashed by first light at Gettysburg on July 1 1863 In the spirit of his iconoclastic Lee's Real Plan at Gettysburg Troy D Harman argues for a new interpretation once Lee invaded Pennsylvania and the Union army pursued a battle at Gettysburg was entirely predictable perhaps inevitable Most Civil War battles took place along major roads railroads and waterways the armies needed to move men and equipment and they needed water for men horses and artillery And yet this perspective hasn't been fully explored when it comes to Gettysburg Look at an 1863 map says Harman look at the area framed in the north by the Susquehanna River and in the south by the Potomac in the east by the Northern Central Railroad and in the west by the Cumberland Valley Railroad This is where the armies played a high stakes game of chess in late June 1863 Their movements were guided by strategies of caution and constrained by roads railroads mountains and mountain passes rivers and creeks all of which led the armies to Gettysburg It's true that Lee was disadvantaged by Stuart's roaming and Meade by his newness to command which led both to default to the old strategic and logistical bedrocks they learned at West Point and these instincts helped reinforce the magnetic pull toward Gettysburg Moreover once the battle started Harman argues the blue and gray fought tactically for the two creeks Marsh and Rock essential for watering men and horses and sponging artillery that mark the battlefield in the east and the west as well as for the roadways that led to Gettysburg from all points of the compass This is a perspective often overlooked in many accounts of the battle which focus on the high ground the Round Tops Cemetery Hill as key tactical objectives Gettysburg Ranger and historian Troy Harman draws on a lifetime of researching the Civil War and more than thirty years of studying the terrain of Gettysburg and south central Pennsylvania and northern Maryland to reframe the story of the Battle of Gettysburg In the process he shows there's still much to say about one of history's most written about battles This is revisionism of the best kind *Blue & Gray Magazine*, 1999 [Bull Run to Gettysburg](#) Don Nardo, 2010-07 After the first shots of the Civil War were fired in 1861 both sides thought victory would come quickly But they were wrong Battle followed battle and the death toll climbed The North and the South were unprepared for the long bloody conflict ahead Then the two armies met at Gettysburg a battle that would change the course of history *The American Civil War* Steven E. Woodworth, 1996-12-09 The single most important volume for anyone interested in the Civil War to own and consult From the foreword by James M McPherson The first guide to Civil War literature to appear in nearly 30 years this book provides the most comprehensive up to date and informative survey and analysis of the vast body of Civil War literature More than 40 essays each by a specialist in a particular subfield of Civil War history offer unmatched thoroughness and discerning assessments of each work's value The essays cover every aspect of the war from strategy tactics and battles to logistics intelligence supply and prisoner of war camps from generals and admirals to the men in the ranks from the Atlantic to the

Far West from fighting fronts to the home front Some sections cover civilian leaders the economy and foreign policy while others deal with the causes of war and aspects of Reconstruction including the African American experience during and after the war Breadth of topics is matched by breadth of genres covered Essays discuss surveys of the war general reference works published and unpublished papers diaries and letters as well as the vast body of monographic literature including books dissertations and articles Genealogical sources historical fiction and video and audio recordings also receive attention Students of the American Civil War will find this work an indispensable gateway and guide to the enormous body of information on America's pivotal experience

Gettysburg, Day Three Jeffrey D. Wert, 2015-05-26 Jeffrey D Wert re creates the last day of the bloody Battle of Gettysburg in astonishing detail taking readers from Meade's council of war to the seven hour struggle for Culp's Hill the most sustained combat of the entire engagement Drawing on hundreds of sources including more than 400 manuscript collections he offers brief excerpts from the letters and diaries of soldiers He also introduces heroes on both sides of the conflict among them General George Greene the oldest general on the battlefield who led the Union troops at Culp's Hill A gripping narrative written in a fresh and lively style *Gettysburg Day Three* is an unforgettable rendering of an immortal day in our country's history
