Blue Moon The Bad Moon Rising Series Volume 1:

Bad Moon Rising - Skinwalkers Book 1: Shifter Werewolf Romance Lorraine Kennedy, 2015-03-24 Wolves are dangerous but Mya doesn't realize how dangerous until she falls in love with one. Mya Reynolds' life is everything a young college girl could want. She has great parents and an awesome best friend, but the day she stares into the eyes of a gorgeous Native American biker, it all comes crumbling down around her. The love Mya finds with David consumes her body and soul, but that love also threatens to destroy her and everyone she loves. David Bray isn't just some ordinary guy; he is the alpha of the wolves known to the Navajo as the Sinapu. It is his duty as alpha to protect the people, but when that duty requires that he kill the one woman that has managed to capture his heart, he is torn between love and what he knows must be done. Skinwalker Trilogy: Bad Moon Rising, Witching the Wolf, Song of Wolves. Subject: Alpha wolf romance, steamy romance, alpha male romance, urban fantasy, paranormal urban fantasy, mystery, cozy mystery, native American romance, paranormal romance.

Double Moon Francine Zapater, A dark secret. A hidden purpose. Can love defeat destiny? Stella, a teenager about to graduate, experiences the magic of love for the first time by meeting the boy of her dreams, Erick, an attractive exchange student. A mysterious, cold, and out-of-reach guy that hides a big secret. Both he and his twin brother, Luke, have a secret mission to achieve where there is no room for feelings. That's why falling in love with Stella, his next victim, is not in his plans. But she has something, something that confuses them, something that stirs a strange fire that consumes them inside, and they had never experienced before. They will both take their rivalry to the limit to win Stella's love, risking her life, not to reveal their dark secret. Double Moon is a tribute to first love. It talks about those feelings that give you goose bumps for the very first time, about that strength that pushes you to fight for what you want against everything and everyone. About the fear of losing and the disappointment that lying can cause. A story where nothing is what it seems, where looks can be deceiving. A romance fiction but real as life itself. Francine's romance books for teens and young adults are written in Spanish but soon available in English. Double Moon is her first book available in English. PROLOGUE I looked at his eyes and what I saw paralyzed me. They weren't blue as I remember them, pearl as steel, tone which gave them a dazzling coldness. I gasped, covering my mouth with both hands. The panic I felt for what could happen didn't stop me from being fascinated with what I was seeing at the time. It was an overwhelming sight, surreal even for someone like me. For someone so human. His body began to shake like a ship in a strong tide while his face was decomposed by pain. Drops of sweat slipped on his forehead. I had no idea what caused that reaction in him. I turned to look towards his opponent, someone big and with a scary look, dark as death. I noticed a hint of a smile on his face. He felt he was the winner of such a strange battle. I looked back at my angel. I could not bear to see him in that way, suffering, torn by pain. I wanted to help him, but what could I do if I didn't even know what was happening. John Fogerty Thomas M. Kitts, 2015-08-27 This is the first critical biography to explore John Fogerty's life and his music. When inducting Creedence Clearwater Revival into the Rock and Roll Hall of Fame in 1993, Bruce

Springsteen referred to the music's power and its simplicity, its beauty and poetry and a sense of the darkness of events and of history of an American tradition shot through with pride, fear and paranoia. This book investigates those aspects and more of Fogerty's songs and life, his Americanism, his determined individualism and unyielding musical vision which led to conflicts with his band, isolation from his family, constant legal battles and some of the greatest songs of the 20th century. *The Guitar Three-Chord Songbook - Volume 3 G-C-D* Hal Leonard Corp., 2015-07-01. An Amazon Editor's Pick. Robert and Irene Kelly were a golden couple of the late 70s; she an artist, he a businessman, each possessed by dynamism and vibrancy. But with two young boys to care for, Irene finds herself confined by the very things she'd dreamed of having. And Robert, pressured by Irene's demands and haunted by the possibility of failure, risks the family business to pursue a fail-safe real estate opportunity. Twenty years later, their now grown sons Nathan and Andrew are drawn back to confront a fateful diagnosis. As they revisit the Cape Cod of their childhood, the ghosts of the past threaten to upend the tenuous peace of the present. In *The Outer Cape*, Patrick Dacey delivers a story of four people grappling with the shadow of infinite possibility, a book in which chasing the American dream and struggling to survive are one and the same. **Bad Moon Rising** Jonathan Maberry, 2008-05-01. And in his most horrifying novel yet, the clash between good and evil explodes in an apocalyptic showdown few will survive. From *A Funfest*.
