

Blue Moon Vs Shock Top

Philip H. Howard

Blue Moon Vs Shock Top:

The Craft Beer Revolution Steve Hindy, 2014-04-22 Over the past 40 years craft brewed beer has exploded in growth In 1980 a handful of microbrewery pioneers launched a revolution that would challenge the dominance of the national brands Budweiser Coors and Miller and change the way Americans think about and drink beer Today there are more than 2 700 craft breweries in the United States and another 1 500 are in the works Their influence is spreading to Europe s great brewing nations and to countries all over the globe In The Craft Beer Revolution Steve Hindy co founder of Brooklyn Brewery tells the inside story of how a band of homebrewers and microbrewers came together to become one of America s great entrepreneurial triumphs Beginning with Fritz Maytag scion of the washing machine company and Jack McAuliffe a US Navy submariner who developed a passion for real beer while serving in Scotland Hindy tells the story of hundreds of creative businesses like Deschutes Brewery New Belgium Dogfish Head and Harpoon He shows how their individual and collective efforts have combined to grab 10 percent of the dollar share of the US beer market Hindy also explores how Budweiser Miller and Coors all now owned by international conglomerates are creating their own craft style beers the same way major food companies have acquired or created smaller organic labels to court credibility with a new generation of discerning eaters and drinkers This is a timely and fascinating look at what America s new generation of entrepreneurs can learn from the intrepid pioneering brewers who are transforming the way Americans enjoy this wonderful inexpensive storied beverage beer

Barrel-Aged Stout and Selling Out Josh Noel, 2018-06-01. Goose Island opened as a family owned Chicago brewpub in the late 1980s and it soon became one of the most inventive breweries in the world. In the golden age of light, bland and cheap beers, John Hall and his son Greg brought European flavors to America. With distribution in two dozen states, two brewpubs and status as one of the 20 biggest breweries in the United States, Goose Island became an American success story and was a champion of craft beer. Then on March 28, 2011, the Halls sold the brewery to Anheuser-Busch InBev, maker of Budweiser, the least craft-like beer imaginable. The sale forced the industry to reckon with craft beer's mainstream appeal and a popularity few envisioned. Josh Noel broke the news of the sale in the Chicago Tribune and he covered the resulting backlash from Chicagoans and beer fanatics across the country as the discussion escalated into an intellectual craft beer war. Anheuser-Busch has since bought nine other craft breweries and from among the outcry rises a question that Noel addresses through personal anecdotes from industry leaders: how should a brewery grow?

Start Your Own Microbrewery, Distillery, Or Cider The Staff of Entrepreneur Media, Corie Brown, 2015. Fueled by consumers' increasing preference in small label operations, the craft alcohol industry is growing rapidly. The experts at Entrepreneur have teamed with Corie Brown of Zester Daily, an award-winning website for food beverage enthusiasts, to bring readers a step-by-step guide to starting their own brand of high-end beers and spirits.

Beer and Brewing in Medieval Culture and Contemporary Medievalism John A. Geck, Rosemary O'Neill, Noelle Phillips, 2022-06-25. Beer and Brewing in Medieval Culture and Contemporary Medievalism is a cross-cultural analysis of the role that alcohol consumption played in literature, social and cultural history, and gender roles in the Middle Ages. The volume also seeks to correct or offer new insights into historical beer production. By drawing on the expertise of scholars of history, archaeology, Old and Middle English, Old Norse and Medieval and Early Modern literature, the book shows how historical medieval beer and brewing has influenced nostalgic post-medieval nationalism and romanticized visions of the medieval ale house seen in beer marketing today. The essays describe alcohol consumption in the Middle Ages across much of Northern Europe, engage with the various myths employed in modern craft beer advertising and beer production, and examine how gender intersects with beer production and consumption. The editors also raise certain critical questions about medievalisms which need to be interrogated, particularly in light of the continued use of the Middle Ages for white supremacist and colonialist ideals. The volume contributes to the study of the popular and historical understandings of the Middle Ages as well as the issues of race and gender.

Beer FAQ Jeff Cioletti, 2016-08-01. Here is a no-nonsense guide to

the world of beer answering many burning questions about the diverse array of styles ingredients and international brewing and drinking traditions that drive the world's most popular beverage Beer FAQ features insight not only on how it's made but how it makes the journey from the brew house floor to the drinker's glass The book offers a touch of history a bit of globetrotting and a look at the companies and enterprising individuals leading the modern brewing renaissance It also offers a nostalgic look at beer's evolving role in pop culture from advertising to television to movies over the past century After reading Beer FAQ readers will have a better understanding of not just what kinds of beers to drink but the best places to drink them and the best ways to enjoy them from the ideal packaging to the proper drinking vessels **Craft Obsession** Jeff Rice, 2016-11-09 Craft introductions Craft interruptions Craft networks Craft terroir Craft delivery Craft tracings Craft sharing Craft obsession **Ultimate Baseball Road Trip** Josh Pahigian, Kevin O'Connell, 2012-03-27 The most entertaining and comprehensive guide to every baseball fan's dream road trip including every new ballpark since the 2004 edition revised and completely updated **Concentration and Power in the Food System** Philip H. Howard, 2021-09-09 Who controls what we eat This book reveals how dominant corporations from the supermarket to the seed industry exert control over contemporary food systems It analyzes the strategies these firms are using to reshape society in order to further increase their power particularly in terms of their bearing upon the more vulnerable sections of society such as recent immigrants ethnic minorities and those of lower socioeconomic status Yet this study also shows that these trends are not inevitable Opposed by numerous efforts from microbreweries to seed saving networks it explores how opposition to this has encouraged even the most powerful firms to make small but positive changes This revised edition has been updated to reflect recent developments in the food system as well as the broad political economic forces that shape them It also examines the rapidly changing technologies such as Big Data and automation which have the potential to reinforce as well as to challenge the power of the largest firms [The Brewers Association's Guide to Starting Your Own Brewery](#) Dick Cantwell, 2013-05-15 The Brewers Association's Guide to Starting Your Own Brewery distills the wisdom of craft brewing veteran Dick Cantwell into one text that delivers essential industry insight American craft brewers have always exhibited a sense of community and collegiality but the success of the industry is embodied by the production of consistently high quality beer at community oriented breweries This book is an indispensable resource for aspiring brewery owners to turn that vision into reality At every level brewing is about careful planning and execution of processes The author shows that this is no different when starting a brewery Cantwell walks the reader through initial planning from site selection size staffing levels your brewery concept and dealing with delays to business planning and raising capital Regulatory and legal issues are discussed not least a brewery's obligations to the inland revenue service along with strategies essential for starting and growing your operation such as production and sales planning and brewery expansion either on site or opening new locations The author includes several example business plans that are explored in detail and peppers the book with his own personal and hard won insights

on everything from guerilla marketing to applying epoxy resin flooring Within this big picture the author weaves in critical aspects like brand identity marketing quality assurance and distribution not to mention details like equipment options securing ingredients and installing flooring and drainage that will stand up to the demands of a busy brewery Finally once your brewery opens its doors the process of brewing needs to continue smoothly You need to plan and adapt your brand portfolio operate sustainably dispose of wastewater correctly and package and present your product in a way that will appeal to customers Craft breweries pride themselves on conscientious operation maintaining the safety of their staff and operating responsibly within their community all the while being profitable From concept to operation this book gets you on the right track to succeed in one of today s most dynamic industries
