AFTER THE GULFSTREAM P.C. Puccio, 2022-06-15 Major Crimes Detective John Albora is called to the murder scene of young wealthy banker G Roderick Von Ness at the mansion on Long Island s Gold Coast Roddy s beautiful widow Cherry found his body in the early morning hours and called the police She alone survives him Several weeks before five high powered New York bankers joined forces on a major real estate deal and now their projects could lose millions of dollars The borrower an underhanded Texan willing to try anything to win forces the bankers hands through lies trickery and women So now one banker is murdered but only one of the five remains alive and well Roddy was one of those five bankers What happened to the other three And the one who still lives The case grows cold as Detective Albora is blocked at every turn His FBI buddy Bob Wilhelm experiences setbacks in his investigation too Suspects come and suspects go but old cops point the way Dianne Goodwin enters Albora s life introduced by her young friend Lanie Barnes and Hunter Zane Lanie s unstable acquaintance Zane a broken former CIA operative is still willing to do things for a price as John and Dianne are drawn together keeping secrets from the other Their intimacy is disrupted by circumstances but neither will force the issue Right now it s all too easy As weeks pass Roddy s murder investigation becomes stale but good police work and the killer s gross misjudgment brings the case to light The story travels from New York s Long Island to the Florida Keys with stops along the way Who will do the right thing to get Roddy s killer What of John Albora and Dianne and his old cop friends And of course the lovely widow and all of Roddy s assets *Reminiscing Through the Years* Sandy Staub Kassimir, 2011-07-27 Reminiscing

Through The Years is a book of laughter tears and life Sandy Staub Kassimirs life to be exact She begins the journey with the story of her parents childhoods along with the struggles they encountered when they came to America She takes us through their courtship sharing the loving details of how they met and fell in love She also shares the story of her romance with her husbanda romance that began at the age of eighteen Over the years they have welcomed their wonderful children and then with time their grandchildren into their lives Sandy has been fortunate to meet many wonderful friends along the way She tells the stories of people who have touched her life in some way with honesty warmth and humor Sandy has included the stories of her travels which have been a particular joy for her to relive Throughout the book she expresses herself with great tenderness and frankness that anyone can appreciate Among the 211 stories in the book there were two sisters and a cousin whose stories made front page headlines world wide The Triangle Shirtwaist Factory Fire In 1911 my great maternal aunt was caught in that fire when she was a teenager She barely survived Her entire back was burned and she could not bend her body I never saw her sit Her sister was in the Plague of 1918 The Plague of 1918 The Influenza Plague in Europe killed my maternal grandmother in Poland My mother was only seven years old at the time The Klinghoffer Murder In 1985 Leon Klinghoffer was murdered on the Achille Lauro ship He was shot in his wheelchair and thrown overboard He was my fathers cousin Reminiscing Through the Years was written to enlighten Sandys children and grandchildren about her origin and her experiences through the years **Elle** ,2000 *Cracked Foundations* Michael Glass,2025-10-07 How debt and speculation financed the suburban American dream and led to today s inequalities In the popular imagination the suburbs are synonymous with the American Dream of upward mobility and economic security After World War II white families rushed into newly built suburbs where they accumulated wealth through homeownership and enjoyed access to superior public schools In this revelatory new account of postwar suburbanization historian Michael R Glass exposes the myth of uniform suburban prosperity Focusing on the archetypal suburbs of Long Island *Cracked Foundations* uncovers a hidden landscape of debt and speculation Glass shows how suburbanites were not guaranteed decent housing and high quality education but instead had to obtain these necessities in the marketplace using home mortgages and municipal bonds These debt instruments created financial strains for families distributed resources unevenly across suburbs and codified racial segregation Most important debt transformed housing and education into commodities turning homes and schools into engines of capital accumulation The resulting pressures made life increasingly precarious even for those privileged suburbanites who resided in all white communities For people of color denied the same privileges suburbs became places where predatory loans extracted wealth and credit rating agencies punished children in the poorest school districts Long Islanders challenged these inequalities over several decades demanding affordable housing school desegregation tax equity and school funding equalization Yet the unequal circumstances created by the mortgages and bonds remain very much in place even today *Cracked Foundations* not only transforms our understanding of housing education and inequality but also

highlights how contemporary issues like the affordable housing crisis and school segregation have their origins in the postwar golden age of capitalism *Down-The-Aisle Directory* Paul Marcontell,1991-04
