America's first full-blown federal trial for criminal copyright infringement. Through accounts given by jazz musicians Steve Swallow and Pat Metheny, *The Story of Fake Books* also reveals the definitive history of the most popular fake book one that has acquired a legendary status among jazz musicians: an anthology of jazz tunes called *The Real Book*. Drawing from information in FBI files, entertainment trade papers, and federal court records, author Barry Kernfeld presents pioneering research which brings together aspects of pop music history and copyright law to disclose this predecessor of current-day battles over pop song piracy. *Music, Books on Music, and Sound Recordings* Library of Congress, 1988
