Untitled Daniel J. Adams,2022-12-30 My life is one of multiple stories It is a young man s coming of age It is moving from one way to the acceptance of many ways in philosophy and religion It is transitioning from western thought to eastern thought It is entering into an international and cross cultural marriage It is living in the East and in the West It is taking road trips climbing mountains and sailing the seven seas It is becoming a citizen of the world And it is the story of survival most recently in 2022 Truly my life is an example of the way that cannot be named and thus must remain untitled
