Beloved Where The Heart Lives:

A Missionary Heart and a Missionary Life Zacharias Tanee Fomum, 2015-02-17 Professor Zacharias Tanee Fomum through this book communicates his burden of bringing the people of God back to the missionary purposes of God. The heart of the missionary and the life of the missionary find their origin basis and model in the Heart of God. He is a missionary God. The heart of the missionary and the life of the missionary is to be judged seen and appreciated by the way God judges sees and appreciates them. God wants to produce people who see the world as He sees it, people who continually live under the constraint of God's missionary needs, people who dream of God's mission fields every night and work there every day to make sure that the missionary purposes of God are fulfilled. The Purpose of this Book is for many to go out as missionaries with correct hearts and correct lives equipped for permanent and productive work. This book is highly recommended to all believers.
