Marks, 2012 A coherent forceful and compelling case for God and the Church founded by Jesus of Nazareth This is a remarkable achievement of solid factual information that is

loaded with ammunition for the new evangelization Contains colorful vignettes of historic moments alternating with sustained argument Marks challenges the reader to set aside long held assumptions and prejudices Jesus is the only one who proclaimed himself sinless and the only one who ever claimed to be God His followers converted an entire empire without resort to violence and after winning Rome they not only gave the world its calendar but transformed pagan culture beyond recognition These hard cold facts are presented here with copious notes for easy identification of persons events or doctrines that may be unfamiliar The reader will also find a detailed index and useful appendices

Reclaiming Motherhood from a Culture Gone Mad Samantha N. Stephenson, 2022-10-13 In the midst of a culture that is increasingly confused about sexuality love life and our very identity as persons the Church offers us the truth of who we are For women this truth is rooted in motherhood not just biological but even more spiritual because women are the bearers and nurturers of life Yet it's difficult to understand and defend the true value of motherhood when the lies that permeate secular culture have seeped into our own way of thinking even in the Church *Reclaiming Motherhood from a Culture Gone Mad* helps Catholics to peel back societal assumptions to understand the fundamental misconceptions fueling our culture's attacks on marriage motherhood and the family Examining current practices in light of these faulty assumptions will empower women in their own motherhood and equip Catholics to combat the culture of confusion by boldly proclaiming God's vision for our lives This book offers a deep dive into what the Church teaches on motherhood and its dignity equipping us to understand the WHY behind those teachings It is only by living within a vision that honors the self-gift of motherhood as the pinnacle of womanhood that love and not self-interest can begin to reorder our lives
