*The Blood Labyrinth* B.R. Bentley, 2024-08-08 Seventy four years after the suspicious death of an unidentified man at a South African beach the police open a cold case investigation into the crime The only clue to his identity an undeciphered coded message written in an 1817 translated book of verse Sixteen thousand kilometers away Rachel Burton begins a search for her biological family Armed with only an incomplete Canadian birth certificate she enlists the help of her former lover investigative journalist and undercover CSIS agent Hayden Jones When a public database DNA match connects

As the various protagonists attempt to advance their respective agendas their paths continue to intersect until ultimately all collide in a surprising and unexpected conclusion. Inspired by real events *The Blood Labyrinth* is a captivating international mystery by Canadian author B.R. Bentley. [The Banker's Box](#) B.R. Bentley, 2019-04-30 Sometimes a minor incident can have devastating effects. When a brief altercation between two women at an upscale Vancouver hair salon threatens to expose an international Chinese crime boss flamboyant local banker Neil Mohle and his wife Vivian find themselves running for their lives and others grappling with the far reaching fallout including Neil's client Woodstock LNG Woodstock along with a shady private investment fund are strategic local participants in a Chinese consortium's bid to develop a liquefied natural gas plant in British Columbia. Worth billions this contract is the cornerstone of the political agenda of B.C.'s ambitious premier to ensure her re-election. Coincidentally embedded in the premier's inner circle is Canadian Security Intelligence Service Officer Hayden Jones. Working undercover as a special advisor on LNG Jones is actually part of a CSIS federal investigation into Chinese money laundering an investigation which begins to unravel as a consequence of the Mohles sudden disappearance and Jones's own untimely intimate relationships. With tentacles stretching from North America to Asia and a multifaceted plot involving high finance crime political intrigue and romantic entanglements *The Banker's Box* will appeal to local and international readers alike. Set against the backdrop of the dynamic global finance industry B.R. Bentley's latest novel provides a riveting and unique look at the crumbling foundations that frequently support power's elegant facade. Fans of *The Banker's Box* will also enjoy B.R. Bentley's previous two novels *The Cross* and *The Bermuda Key*. Visit [www.brbbentley.com](http://www.brbbentley.com) for more information. *The Cross* B.R. Bentley, 2014-02-27 After nearly 400 years an emerald encrusted gold pectoral cross belonging to the Catholic Church is discovered by two salvage divers off the coast of Bermuda. Carried by an Augustinian friar on the ill-fated Spanish galleon *San Pedro* which sank in 1596 the cross contains a priceless hidden key. The divers want it for the money. The Bermuda government wants it for its historical value. A group of cardinals known as the Silenti want it for the key hidden inside. Only one of the divers and the cardinals are aware of the key. Only the cardinals know of its significance to the Papacy. Displayed in the Bermuda Maritime Museum since its discovery it is not until Queen Elizabeth's visit to the island nine years later that the cross in the museum is found to be a fake. Who made the forgery and who stole the original cross? Who has the key and what is its significance to the Church? Inspired by real events the crime on which *The Cross* is based remains one of Bermuda's greatest unsolved mysteries. Fact and fiction are skilfully woven together throughout this debut novel from author B.R. Bentley as the characters conspire to achieve their aims. **Civil War Naval Chronology, 1861-1865** United States.
