Brealey,Stewart C. Myers,Franklin Allen,2011 Principles of Corporate Finance is the worldwide leading text that describes the theory and practice of corporate finance Throughout the book the authors show how managers use financial theory to solve practical problems and as a way to respond to change by showing not just how but why companies and management act

as they do This text is a valued reference for thousands of practicing financial managers The Tenth Edition has been rewritten refreshed and fully updated to reflect the recent financial crisis and is now accompanied by Connect Finance an exciting new homework management system **Reference Manual on Scientific Evidence** ,1994 Solutions Manual to Accompany Principles of Corporate Finance Richard A. Brealey,Mark D. Griffiths,Stewart C. Myers,2000 Includes solutions to all Practice Problems and Challenge Problems from the text **Principles of Corporate Finance** Richard A. Brealey,Stewart C. Myers,Franklin Allen,Alex Edmans,2025 This book describes the theory and practice of corporate finance It s clear why financial managers have to master the practical aspects of their job but why do practitioners need to bother with theory Managers learn from experience how to cope with routine problems But the best managers are also able to respond to change and deal with non routine situations To do so you need more than rules of thumb and gut feel you must understand why companies and financial markets behave the way they do In other words you need a theory of finance That should not sound intimidating Good theory helps you grasp what is going on in the world around you It helps you ask the right questions when times change and new problems need to be analyzed It also tells you which things you do not need to worry about Throughout this book we show how managers use financial theory to solve practical problems Provided by publisher
