Advanced Introduction To Post Keynesian Economics Elgar Advanced Introductions Series:

Advanced Introduction to Post Keynesian Economics J E King, 2015-06-29 Elgar Advanced Introductions are stimulating and thoughtful introductions to major fields in the social sciences and law expertly written by the world's leading scholars. Designed to be accessible yet rigorous they offer concise and lucid surveys of **Advanced Introduction to Law and**

Globalisation Jaakko Husa, 2018-11-30 This Advanced Introduction offers a fresh critical analysis of various dimensions of law and globalisation drawing on historical normative theoretical and linguistic methodologies. Its comprehensive and multidisciplinary approach spans the fields of global legal pluralism, comparative legal studies and international law.

Advanced Introduction to International Investment Law August Reinisch, 2020-06-26 August Reinisch gives a broad overview of the entire field of international investment law that has emerged as an important subfield of international economic law over the last decades. As a result of the boom of investment arbitration since the late 1990s, core questions of the substantive treatment of foreign investors are analysed. Combining an academic and a practical perspective, this book has been written to provide an introduction to investment law for lawyers, political scientists, economists as well as those interested in international relations. Advanced Introduction to Comparative Legal Methods Monateri, Pier, 2021-10-22

Drawing on historical normative theoretical and economic methodologies, Pier Giuseppe Monateri offers a fresh critical analysis of various dimensions of comparative law methods. Comprehensive and engaging with a multidisciplinary approach, this Advanced Introduction spans the fields of comparative legal studies, law and finance and global law. Advanced Introduction to the Creative City Charles Landry, 2019 Written by the leading authority Charles Landry, inventor of the concept of the creative city, this timely book offers an insightful and engaging introduction to the field. Exploring the development of the concept, it discusses the characteristics of cities, the qualities of creativity, the creative and regeneration repertoires and the gentrification dilemma. Other key topics of this definitive work include ambition and creativity, cities and psychology, digitization and the creative bureaucracy. **Advanced Introduction to Global Administrative Law** Sabino Cassese, 2021-02-26

Sabino Cassese presents an incisive introduction to the essential principles of global law, exploring the central theories of globalization through an analysis of the main developments in this area. The Advanced Introduction concludes that despite the ongoing dialectic between national governments and international institutions, globalization and states are progressing in parallel while civil societies are increasingly involved in the machinery of globalization.

Advanced Introduction to Technology Policy Albert N. Link, James A. Cunningham, 2021-05-28 This intuitive Advanced Introduction provides an in-depth review of current U.S. technology policy, tracing the legislative history of policies such as the Economic Recovery Tax Act, the Small Business Innovation Development Act and the National Cooperative Research Act. The critical elements of the ecosystem in which technology policy exists are also discussed with a particular focus on U.S. patent policy and U.S. investments in infrastructure technology. *Advanced Introduction to Service Innovation*

Faïz Gallouj, Faridah Djellal, Camal Gallouj, 2023-10-06 This *Advanced Introduction to Service Innovation* explores a key driver of the service economy addressing in particular the definition and conceptualization of innovation in services and its measurements using both traditional and new measures. The authors address pertinent questions such as: What is innovation in services and how is it conceptualized? How is it measured? How is it organized and managed within both service and non-service firms?

Advanced Introduction to Spatial Statistics Griffith, Daniel A., Li, Bin, 2022-08-12 This *Advanced Introduction* provides a critical review and discussion of research concerning spatial statistics differentiating between it and spatial econometrics to answer a set of core questions covering the geographic tagging of data origins of the concept and its theoretical underpinnings, conceptual advances and challenges for future scholarly work. It offers a vital tool for understanding spatial statistics and surveys how concerns about violating the independent observations assumption of statistical analysis developed into this discipline.

Advanced Introduction to Space Law Frans G. von der Dunk, 2020-09-25 Frans von der Dunk, a leading authority on space law, presents a nuanced introduction to the topic explaining the legal rules, rights and obligations applicable to activities in outer space and activities that precede operations in space. He analyzes the interaction of these elements as well as how international organizations relate to the core tenets of space legislation.
