

Advanced Placement Psychology Summer Assignment 2019 Mrs. Schneider

Summer Assignment

Psychology has AP Psychology is an intensive college-level course with higher-level expectations than most science classes by high school students. AP Psychology allows students to earn college credit and enroll at the "college" level, which is more than most students receive from school. Beyond effort is typically required at the high school level.

Students who enter the first semester with a background in some of the psychological concepts, demonstrating the prior will have an advantage in the course. Prior knowledge allows students to apply intelligently concepts and processes that presented for more success on the AP Psychology exam in the spring. Therefore, you will be required to complete a four-page summer assignment. All four items are described below of which:

August 1st 2019

Assignment #1: Read and Outline Chapters 1 and 2.

Psychological thought and theory is the basis and foundation for understanding the mind subject. Therefore, it is paramount for all psychology students to have a firm understanding of evolutionary and how it can be applied to both nature and complex psychological phenomena. The purpose of this section of the summer assignment is to prepare students for the AP Psychology course and prepare students to the theory.

Throughout the course you will be required to outline each chapter of the textbook with its accompanying. The outline will be a portion of your individual outline that will require your effort in the outline; you have read and focus on the major topics within each chapter along with the influential concepts that has impacted research in psychology. These outlines become valuable reference materials for the course, contributing to the AP exam.

Read chapters 1 and 2 in *The Science of Psychology* textbook. The book has changed and is now labeled by Jones G. 2019. After reading the two chapters, create a thorough outline using the Cornell Method of note taking or any other note-taking method. In addition, students will define key words and concepts on separate sheets of paper. Students located at the end of each chapter. Outlines and vocabulary must be handwritten and the outline of each student's psychology or textbook reports will be accepted. Please check items in the Notes section of your binder. Use Class Materials section.
