Routledge Library Editions: Advertising Various, 2021-07-14 Routledge Library Editions Advertising brings together as one set or individual volumes a series of previously out of print classics from a variety of academic imprints With titles as varied as Advertising and Psychology Advertising in the 21st Century Outdoor Advertising and The Economics of Advertising this set provides in one place a wealth of important reference sources from a wide range of authors expert in the field

Advertising Explained (RLE Advertising) Dennis Caton, 2013-05-02 This work explains the various elements which go to the making of a successful advertising campaign the planning research and discussion and gives some helpful information about advertising media the creation of advertisements about printing processes and mechanical production It touches upon marketing and distribution and shows how these things must have a direct bearing on any well framed advertising policy The work of the Advertising Agency is fully described and there is some interesting advice about overseas advertising Advertising Explained contains 27 illustrations including a number of most useful diagrams and charts invaluable for day to day reference First published in 1949

Routledge Library Editions: Persia Various Authors, 2021-03-11 RLE Persia is a Routledge Library Editions set that reissues five out of print classics that examine the history and culture of this key country in the Middle East Two titles consist of close readings of Persian poems and by extension are examinations of the country's wider literature Two others study the country's domestic and international history and the final volume studies an aspect of the Sufi branch of Islam

Routledge Library Editions: Economic Geography Various, 2021-06-23 The books in this set originally published between 1968 and 1992 introduce the reader to the many lines of thought in the literature on economic geography and tie these various aspects together within the concept of the economy As well as providing a comprehensive overview of the Western European economy since the Second World War and including specific studies and assessments of the Dutch and Italian economies these volumes examine the economic factors that have shaped cities and patterns of urbanization

Routledge Library Editions: Cultural Studies Various Authors, 2021-05-13 This seven volume set reissues a collection of out of print titles covering a range of responses to modern culture They include in depth analyses of US and Australian popular culture works on the media and television macrosociology and the media and otherness Taken together they provide stimulating and thought provoking debate on a wide range of topics central to many of today's cultural controversies

Routledge Library Editions: Transport Economics Various, 2021-07-29 This set of previously out of print titles is an essential reference collection on the topic of transport economics Providing in depth analysis on a variety of aspects including the economics of the airfreight shipping and rail industries it also examines the economics of road transport and more focused areas such as containerisation

Routledge Library Editions: Urban Planning Various, 2021-06-23 The volumes in this set originally published between 1970 and 1998 draw together research by leading academics in the area of urban planning and provide a rigorous examination of related key issues The volumes examine

teaching urban markets planning transport planning poverty politics forecasting techniques and an examination of the inner city in Europe and the US whilst also exploring the general principles and practices of planning This set will be of particular interest to students of sociology geography planning and urbanization respectively Routledge Library Editions: Philosophy of Language Various Authors,2021-07-14 Philosophical themes as diverse as language value mind and God are among the topics discussed in this set of 11 books originally published between 1963 and 1991 Specific volumes cover the following The relation between persuasion and truth criticism of linguistic philosophy questions about the nature of thought and ontological questions in general **The Geography of English Politics** R. J. Johnston,2014-10-03 This book illustrates the degree of variability in voting behaviour within social groups and suggests reasons for that variability It reviews and critiques conventional analyses and presents statistical analyses of the geography of voting in England The book reveals that substantial geographical variations exist in the widely held generalisations such as that white collar owner occupiers favour the Conservatives or that blue collar council tenants prefer Labour *Routledge Library Editions: 18th Century Philosophy* Various,2021-07-14 This collection reissues 17 titles that provide an excellent overview of 18th century philosophy as well as the debates that surround the topic Featuring works on Berkeley Hume Kant and Rousseau among others the collection examines a host of philosophical arguments by the leading thinkers of the time It is an essential reference collection
