Ben Carson 2016 Trevor Smith, 2014-08-22 Ben Carson has stood up to Obama but can he stand up to Hillary Clinton Grab the must read expose that explains how a Ben Carson run for President in 2016 would unfold and how formidable Hillary Clinton really is With Presidential Elections getting harder and harder for the GOP it is critical for conservatives to understand who they nominate and how they can beat Hillary Clinton in 2016 **Ben Carson & Hillary Clinton** Michael Joshua, 2015-11-29 This book is meant as a guide to the agenda of the two major players in the 2016 US presidential race Although at the time this book was written it is still unsure who the Presidential candidates will be Hillary Clinton of the DNC and Benjamin Carson of the GOP are vying for their respective party's nomination for presidential candidacy It is important for the people to learn where these two presidential hopefuls stand on major issues Knowing their stance and background will help the reader develop an idea of how each candidate might perform if elected to office It is not just necessary to understand the stance the reasons behind this position should also be explored This book fills the requirement of providing the background knowledge that will help you see beyond the political buzzwords and grasp the true picture behind the carefully orchestrated media campaigns of the candidates Get a glimpse of their agenda and make the responsible decision when it comes to voting Get a copy of this book today The 2016 US Presidential Campaign Robert E. Denton Jr, 2017-07-21 This volume focuses on the 2016 Presidential campaign from a communication perspective with each chapter considering a specific area of political campaign communication and practice The first section includes chapters on the early candidate nomination campaigns the nominating conventions the debates political advertising and new media technologies The second section provides studies of critical topics and issues of the campaign to include chapters on candidate persona issues of gender wedge issues and scandal The final section provides an overview of the election with chapters focusing on explaining the vote and impact of new campaign finance laws and regulations in the 2016 election All the contributors are accomplished scholars in their areas of analysis Students scholars and general readers will find the volume offers a comprehensive overview of the historic 2016 presidential campaign **The Black President** Claude A. Clegg III, 2021-10-12 The first sweeping legacy defining history of the entire Obama presidency Finalist of the PROSE Award for Best Book in Biography Autobiography by the Association of American Publishers In *The Black President* the first interpretative grand narrative history of Barack Obama's presidency in its entirety Claude A Clegg III situates the former president in his dynamic inspirational yet contentious political context He captures the America that made Obama's White House years possible while insightfully rendering the America that resolutely resisted the idea of a Black chief executive thus making conceivable the ascent of the most unlikely of his successors In elucidating the Obama moment in American politics and culture this book is also at its core a sweeping exploration of the Obama presidency's historical environment impact and meaning for African Americans the tens of millions of people from every walk of life who collectively were his staunchest

group of supporters and who most starkly experienced both the euphoric triumphs and dispiriting shortcomings of his years in office In Obama s own words his White House years were the best of times and worst of times for Black America Clegg is vitally concerned with the veracity of this claim along with how Obama engaged the aspirations struggles and disappointments of his most loyal constituency and how representative segments of Black America engaged experienced and interpreted his historic presidency Clegg draws on an expansive archive of materials including government records and reports interviews speeches memoirs and insider accounts in order to examine Obama s complicated upbringing and early political ambitions his delicate navigation of matters of race the nature and impacts of his administration s policies and politics the inspired but also carefully choreographed symbolism of his presidency and Michelle Obama s role and the spectrum of allies and enemies that he made along the way The successes and the aspirations of the Obama era Clegg argues are explicitly connected to our current racist toxic political discourse Combining lively prose with a balanced nonpartisan portrait of Obama s successes and failures *The Black President* will be required reading not only for historians politics junkies and Obama fans but also for anyone seeking to understand America s contemporary struggles with inequality prejudice and fear *See No Evil* Joel Pollak,2016-07-25 Liberals take great pride in their supposed open mindedness Yet when it comes to hot button issues like radical Islam global warming and abortion open minded liberals go to great lengths to discredit and suppress the ideas of their opponents Breitbart senior editor Joel Pollak exposes the nineteen key ideas that today s liberals are desperate to suppress revealing the blatant hypocrisy of left wing leaders and pundits who preach tolerance but practice intolerance *Political Humor in a Changing Media Landscape* Jody C Baumgartner,Amy B. Becker,2020-07-07 In the past decade various studies have examined how political humor may influence various political attitudes and voting behavior whether it affects learning cognition and media literacy how it might shape political participation how people process different forms of political humor and more This book is devoted to anticipating and addressing where the field of political humor and its effects will move in the next generation of scholarship exploring the continued evolution of the study of political humor as well as the normative implications of these developments It includes research accounting for important changes and developments on the ground in the political humor landscape These include the fact that the cadre of late night television hosts have completely changed in the past 3 years there are now more late night television choices and many hosts have become more overtly political in their presentations Recommended for scholars of communication media studies and political science **Ben Carson Versus Hillary Clinton** Tony McMahon,Naomi McMahon,2015-11-25 Find out how the positions of Ben Carson and Hillary Clinton differ on the issues The positions of each candidate are discussed in a compare and contrast fashion covering important issues like Taxes Minimum Wage Gun Rights Healthcare Social Security Climate Change Energy Foreign Policy Immigration General Economic Issues Government Debt Marijuana Legalization and the Drug War Gay LGBT Issues Veteran s Issues Criminal Justice Education Find out what Dr Ben

Carson and Hillary Clinton have said about these important issues how they differ and where they take the same stance The 2016 U S Presidential election will take the country in different directions depending on whether Ben Carson or Hillary Clinton is the winner find out which candidate best fits your views Winning the Presidency 2016 William J. Crotty, 2017-07-20 The presidential election of 2016 was unlike any in modern American history Donald Trump a successful businessman well known reality television host and a political novice with no clear policy views or political attachments ran for the presidency His opponent was Hillary Clinton a candidate with a long and impressive career in politics She was the first woman nominee of a major political party and should she have won the first woman president of the United States No one gave Trump much of a chance Yet he won the election How did he do it What explains his political success What can we expect from a Trump presidency This book answers these questions It presents a clear and definitive overview of his campaign its controversies and setbacks and its successes Winning the Presidency 2016 identifies who voted for Donald Trump and why It explains why Hillary Clinton lost Essential reading for understanding a campaign with no precedents and a presidential election that could have seismic consequences for the conduct of American government *The Presidency and Social Media* Dan Schill, John Allen Hendricks, 2017-12-22 The media have long played an important role in the modern political process and the 2016 presidential campaign was no different From Trump's tweets and cable show call ins to Sander's social media machine to Clinton's Trump Yourself app and podcast journalism social and digital media and entertainment media were front and center in 2016 Clearly political media played a dominant and disruptive role in our democratic process This book helps to explain the role of these media and communication outlets in the 2016 presidential election This thorough study of how political communication evolved in 2016 examines the disruptive role communication technology played in the 2016 presidential primary campaign and general election and how voters sought and received political information *The Presidency and Social Media* includes top scholars from leading research institutions using various research methodologies to generate new understandings both theoretical and practical for students researchers journalists and practitioners The 2020 U.S. Presidential Election Daniel E. Bergan, Bruce I. Newman, 2022-05-11 Citizens journalists and scholars have shown increased interest in candidate violations of democratic norms ranging from former President Trump's campaign rhetoric to the Capitol riot But how unusual are the former President's actions on the campaign trail And to what extent do norm violations benefit or harm presidential candidates Other campaign strategies involve social norms around non elites For example some campaign messages emphasize group norms in order to influence turnout and correct misinformed beliefs How do communications based on group behaviors beliefs and attitudes affect voters during presidential campaigns Chapters in this edited volume explore the communications of the President and other actors including groups promoting turnout and fact checking candidate statements It uses the historic 2020 U S Presidential Campaign to explore the relationship between campaign messages and democratic norms as well as the potential of social norms to shape election year behaviors attitudes

and perceptions among voters This volume highlights different features of the changing role of democratic and group norms in presidential elections The chapters in this book were originally published as a special issue of the Journal of Political Marketing
