## **Beretta Owners Manual:**

**Practical Guide to the Operational Use of the Beretta 92F/M9 Pistol** Erik Lawrence, 2015-03-10 The most current up to date full color manual anywhere on the Beretta 92F M9 pistol Authored by Erik Lawrence former Special Forces Instructor and owner of one of the most realistic and experienced training companies in the US 44 pages of great to know information with procedures that have been vetted over time 50 color pictures to better explain the listed procedures Developed for weapons familiarization classes and instructor development the best Team Room reference library available The objective of this manual is to allow the reader to be able to use the Beretta 92F M9 pistol system safely and competently The practical guide will give the reader background specifications of the weapon and its capability Multiple descriptive photographs instructions on its operation disassembly and assembly procedures demonstrate correct employment of tripod proper safe firing procedures malfunction and misfire procedures Operator level maintenance will also be detailed to allow the operator to understand and become competent in the use and maintenance of the Beretta 92F M9 pistol system **The Beretta M9 Pistol** Leroy Thompson, 2011-09-20 In 1990 the Beretta M9 replaced the venerable Colt 1911 as the main pistol of choice for the US Army and it has seen widespread use in Iraq and Afghanistan Written by a leading pistol expert who currently trains US Special Forces in the use of this weapon this book is an honest appraisal of the successes and failings of the 9mm Beretta The volume traces the Beretta designs that preceded the M9 as well as its use on the battlefield including the impact it has had on close combat training due its the larger magazine capacity It also details the adoption of the Beretta by US law enforcement agencies and the impact this has had This is a fascinating history of a classic pistol and an assessment of its future use Lethal Logic Dennis A. Henigan, 2009-06-30 Guns don t kill people people kill people When guns are outlawed only outlaws will have guns An armed society is a polite society Who hasn t heard these engaging assertions time and time again Burned into the national consciousness by years of targeted disciplined messaging by the National Rifle Association and others they are just a few of the bumper sticker slogans that have defined the gun control debate in America Long ridiculed by gun control advocates they are the first words that come to mind for most Americans when the gun issue is discussed This is the first book both to acknowledge the profound and deadly impact of the gun lobby s bumper sticker logic on the gun control debate and to systematically expose the misguided thinking at the core of the pro gun slogans Indeed the author contends that the gun lobby s remarkable success in blocking passage of lifesaving gun laws is the result in large part of its relentless and effective use of these simple and resonant messages Their persuasive power has been a largely ignored influence on the current politics of gun control in which the gun lobby wields unprecedented power in the Republican Party while many Democratic Party leaders see the policy benefits of stronger gun laws as not worth the political risk of standing up to the NRA The book contends that the current political stalemate over guns will never be broken until the pro gun slogans are exposed as the cleverly disguised fallacies that they are The Ultimate Owner's Manual Jack
