Biology With Connect Access Card

Sylvia Mader

Biology With Connect Access Card:

Loose Leaf Human Biology w/ Connect Plus Access Card Sylvia Mader, 2011-06-01 Instructors consistently ask for a human biology textbook that helps students develop an understanding of the main themes of biology while placing the material in the context of the human body Mader Human Biology was developed to fill this void Organized around the main themes of biology Human Biology guides students to think conceptually about biology and the world around them Just as the levels of biological organization flow from one level to the next themes and topics of Biology are tied to one another throughout the chapter and between the chapters and parts through the concept of homeostasis Combined with Dr Mader's hallmark writing style exceptional art program and pedagogical framework difficult concepts become easier to understand and visualize allowing students to focus on understanding how the concepts are related Multimedia Integration Michael Windelspecht represents the new generation of digital authors Through the integration of multimedia resources such as videos animations and MP3 files and in the design of a new series of interactive animations Dr Windelspecht has worked to bring Dr Mader's texts to the new generation of digital learners A veteran of the online hybrid and traditional teaching environments Dr Windelspecht is well versed in the challenges facing today's students and educators Dr Windelspecht has also acted as the subject matter expert on all aspects of the Connect content being prepared for the Mader series of textbooks Connect Plus ConnectPlus This version of Connect includes the full textbook as an integrated dynamic ebook ConnectPlus provides all of the Connect features plus the following An integrated printable ebook allowing for anytime anywhere access to the textbook Dynamic links between the problems or questions you assign to your students and the location in the ebook where those problems or questions are covered You can assign fully integrated self study questions Pagination that exactly matches the printed text allowing students to rely on ConnectPlus as the complete resource for your course Embedded media including animations and videos Customize the text for your students by adding and sharing your own notes and highlights LearnSmart Bright futures begin with a smarter way to learn LearnSmart monitors students learning styles as it teaches and adapts instantly based on their performance Measure Assess and monitor students levels Adapt Provide interactive assessments based on strengths weaknesses Empower Map out a personalized plan for successful learning Proof LearnSmart diagnoses students skill levels to determine what they're good at and where they need help Then it delivers customized learning content based on their strengths and weakness The result students get the help they need right when they need it instead of getting stuck on lessons or being continually frustrated with stalled progress Probe How could an effective learning system that diagnoses students skill levels to determine what they're good at and where they need help Then delivers customized learning content based on their strengths and weakness help level the playing field in your course

Biology w/ Connect Plus Access Card Sylvia Mader, 2009-10-29 Biology is a comprehensive introductory biology textbook for non majors or mixed majors courses that covers biology in a traditional order from the structure and

function of the cell to the organization of the biosphere The book which centers on the evolution and diversity of organisms is appropriate for a one or two semester course It s no wonder that Sylvia Mader s Biology continues to be a text that s appreciated as much by instructors as it is by the students who use it The ninth edition is the epitome of Mader s expertise Its concise precise writing uses an economy of words to present the material as succinctly and clearly as possible thereby enabling students even non majors to understand the concepts without necessarily asking the instructor to explain further Connect Plus ConnectPlus This version of Connect includes the full textbook as an integrated dynamic ebook ConnectPlus provides all of the Connect features plus the following An integrated printable ebook allowing for anytime anywhere access to the textbook Dynamic links between the problems or questions you assign to your students and the location in the ebook where those problems or questions are covered You can assign fully integrated self study questions Pagination that exactly matches the printed text allowing students to rely on ConnectPlus as the complete resource for your course Embedded media including animations and videos Customize the text for your students by adding and sharing your own notes and highlights LearnSmart Bright futures begin with a smarter way to learn LearnSmart monitors students learning styles as it teaches and adapts instantly based on their performance Measure Assess and monitor students levels Adapt Provide interactive assessments based on strengths weaknesses Empower Map out a personalized plan for successful learning Proof LearnSmart diagnoses students skill levels to determine what they re good at and where they need help Then it delivers customized learning content based on their strengths and weakness The result students get the help they need right when they need it instead of getting stuck on lessons or being continually frustrated with stalled progress Probe How could an effective learning system that diagnoses students skill levels to determine what they re good at and where they need help Then delivers customized learning content based on their strengths and weakness help level the playing field in your course
