Approval Addiction Joyce Meyer,2005-04-01 There is an epidemic of insecurity in society today Many people suffer from an unhealthy need for affirmation They are not capable of feeling good about themselves For some the quest for approval becomes an actual addiction as they seek self worth from the outside world because they can t find it within themselves Joyce Meyer understands the need for seeking approval from others to overcome feelings of rejection and low self esteem The good news she says is that there is a cure God provides all the security anyone needs Her goal is to provide a pathway toward freedom from the approval addiction

God, Why Didn't He Cover Me? Karen D. Reid,2008-11 GOD WHY DIDN T HE COVER ME DISCLAIMER This is not the typical tell all story it is an uncompromising expose Emotionally and sexually abused by religious leaders God has anointed me in the area of my affliction to purely expose the devices of Satan and challenge the Body of Christ to raise the standard of holiness purity and integrity As I am willing to become transparent in this three part series From Mistress to Ministry my testimony capitalizes on scriptural references and information in conjunction with past experiences to present a biblical reformation that will promote genuine holiness in a wayward church The principle of spiritual warfare is that we must be called to order before we can advance to the next level of victory My objective is three fold to nurture damaged spirits to foster a healing process for victims of abuse and to present the deliverance that repentance brings to those who are trapped in sexual sins Pastors can God count on you to avoid the damaging effects of committing spiritual incest Husbands can your wives trust you to shun the immoral acts of

adultery fornication Fathers can your daughters lean on you to steer clear of raping them of their innocence Teachers can our children expect you to be mentors and not molesters Executives can your subordinates rely on you to refrain from sexual harassment violations Officials can your citizens depend on you to protect us against economic hardship President of the United States can God trust you to call this nation back to Him and snatch us out of the hand of the enemy More than mere members of an organization or a population we are your sons and daughters Powerful ambassadors of God will you cover us in our imperfections and not continue to exploit our vulnerabilities For the time is come that judgment deliverance through investigation or examination must begin at the house of God When the Kingdom of God does not influence the nation through truth and righteousness the leadership of the nation is not equipped to positively affect its citizens However the nation cannot be healed until the church has been cleansed Thus we can not afford to remain complacent to the issues of clergy misconduct and the abuse and misuse of spiritual power Secret issues can only be eradicated by exposing old wounds otherwise hidden infection will inevitably spread throughout the Body In presenting this 21st century exposition of the consequences of making ungodly decisions I minister based on where I am after I have judged myself based on where I was Therefore seeing we have this ministry as we have received mercy we faint not but have renounced the hidden things of dishonesty not walking in craftiness nor handling the Word of God deceitfully but by manifestation of the truth commending ourselves to every man s conscious in the sight of God II Cor 4 1 2 **Between Babel and Pentecost** Andre Corten, Ruth Marshall-Fratani, 2001-08-22 This text considers the important transnational character of Pentecostal movements in Africa and Latin America and their tendency to foster identities that transcend national and cultural contexts The Approval Fix Joyce Meyer, 2014-06-03 Everybody wants to be loved We all need affirmation acceptance and approval Let s face it It feels good to be appreciated and admired But when we depend on the approval of others to feel good about ourselves it s impossible to have emotional stability or a healthy self image And when our value is based on how people see us rather than God s unconditional love for us our desire for approval can become an addiction In The Approval Fix 1 New York Times bestselling author Joyce Meyer gives you practical insights that will help you learn how to accept who you are and become the unique individual God created you to be You ll experience greater confidence deeper emotional stability and healthier relationships the life you re really longing for Today discover the truth about God s love for you and approval of you And enjoy the freedom to be the amazing person you can be in Him Derived from material previously published in Approval Addiction *From Mistress to Ministry* Karen D.
