Reclaiming the Book of Revelation Wilfried E. Glabach, 2007 Progressive Christians have largely resisted studying the book of Revelation but Reclaiming the Book of Revelation shows that the last book of the Bible has great relevance for progressive Christians and congregations in this world It addresses themes such as how to avoid being drawn into the values of a consumerist society how to describe our fears instead of fleeing from them and how to live with hope in difficult times Because Revelation has been claimed by the religious right and proponents of rapture theology Wilfried E Glabach addresses the need for more progressive Christians to give another interpretation of the book Reclaiming the Book of Revelation offers an interpretation that stresses God's forgiveness and the healing of the nations rather than the destruction of many and the redemption of a few Dr Glabach motivates and encourages preachers teachers and lay readers to explore Revelation's vision of assurance justice and peace Back cover

Enigma: An Interpretative Commentary of Revelation Dr. Nathan Ogan, 2019-01-16 This has been offered to the reader as if to say that from the very outset any study of Revelation that is done or offered without the direct application of Jesus teaching specifically His sermon on the Mount of Olives is incomplete at best The argument that God conclusively broadened His redemptive purpose beginning with the Jewish people then spread to all races as promised in Matthew 28:19 rings true in Revelation when understood in the context of what Jesus taught What's more the development of temple based worship into a simpler spiritual based worship as expected in John 4:21-24 is equally difficult to ignore from what appears to have been fulfilled in the prophecy of Revelation as predicted by Jesus in His Mount of Olives sermon **Biblical Worship Through Music** Robert Austell, 2009-03-01 Seeking a faithful solution to conflict over musical worship the pastor musician author begins with biblical principles for worship examines historical and contemporary models for worship and evaluates worship practices in one presbytery of the Presbyterian Church U S A to propose guiding principles and specific applications for the use of music in worship The project shows biblical worship to be described by a number of characteristics and grounded in God's Word presence and community After exploring these principles biblically historically and culturally the outcome of the project is a significant collection of music related worship resources for use in the local church and for equipping in broader teaching contexts **A Heart for the Future** Robert Boak Slocum, 2018-02-20 Apart from impressive liturgical expressions every year in Advent and one stirring statement called The Christian Hope which concludes the Prayer Book Catechism the Episcopal Church is not known for its formation and application of eschatology the doctrine of last things A Heart for the Future Writings on the Christian Hope may change that The distinguished and diverse contributing authors including Robert M Cooper Robert D Hughes Harold T Lewis Fredrica Harris Thompsett Paul F M Zahl and Robert Boak Slocum who is also the general editor differ widely in method meaning and approach They are very much alike however in the rigor with which they profess their faith in the Christian future avoiding the simplistic eschatology that would cleave the Body of Christ in two by creating a false dichotomy between walking with God in this world and walking toward God in the next The choice Christians must make is not between the now and the external it is between being forward looking and being backward looking Unless we look with eagerness and longing toward the future we will stay stranded in the past To live the Christian life today we need A Heart for the Future *The Popular Bible Prophecy Commentary* Tim F. LaHaye, Edward E. Hindson, 2007-02-01 Offering clear and informative explanations from notable prophecy experts a user friendly guide sheds light on a wide range of issues in Bible prophecy including the signs preceding Jesus's Second Coming Daniel's prophecies about the Antichrist Tribulation and the world's kingdoms and the interpretation of the book of Revelation **Sacrifice and Community** Matthew Levering, 2006-01-10 This book explores the character of the Eucharist as communion in and through sacrifice It will stimulate discussion because of its controversial critique of the dominant paradigm for Eucharistic theology

its reclamation of St Thomas Aquinas's theology of the Eucharist and its response to Pope John Paul II's *Ecclesia de Eucharistia*. Argues that the Eucharist cannot be separated from sacrifice and rediscovers the biblical connections between sacrifice and communion. Timed to coincide with the Year of the Eucharist proclaimed by Pope John Paul II. Reclaims the riches of St Thomas Aquinas's theology of the Eucharist which had recently been reduced to a metaphysical defence of transubstantiation.

The Glory of Preaching Darrell W. Johnson, 2010-01-04 Darrell Johnson's book is for any pastor or student who wants to cultivate a deeper pulpit approach, one that participates in the transforming mystery of God working through our less than perfect proclamation. Here is a solid foundation for preaching the good news as if God was living. Jesus was resurrected and the Holy Spirit was faithfully at work among us.
