Sproul, 2022-11-15 In this book Dr R C Sproul employs his unique perspective as a highly experienced pastor theologian and a trained philosopher to provide well considered and compassionate answers to the difficult questions that attend termination of pregnancy Dr Sproul strives for a factual well reasoned approach informed by careful biblical scholarship He considers both sides of this issue in terms of biblical teaching civil law and natural law This edition includes a new foreword by Dr George Grant and has been updated to reflect developments in the issue Appendixes provide further background on the issue of when life begins and list sources for pro life resources Abortion Robert Charles Sproul, 1990

Abortion James C. Galvin, Michael Beates, Robert D. Ingram, 1990 Abortion Robert C. Sproul, 1990 *Abortion from the Religious and Moral Perspective:* George F. Johnston, 2003-03-30 For approximately three decades the abortion debate has polarized America Views range from the extreme conservative position that all abortions are morally objectionable to the extreme liberal position that abortion throughout all nine months of pregnancy is acceptable In the middle are those who advocate laws limiting the number of valid reasons for abortion This comprehensive volume includes bibliographic citations that address the moral and religious aspects of abortion It covers such topics as the various arguments both for and against abortion the status of the fetus and overviews of several religions stances on abortion Citations also include references on how Christianity has influenced abortion politics and law discussions of Operation Rescue and official statements on abortion by the Catholic Church and several Protestant denominations Researchers as well as anyone interested in the moral and religious elements of abortion will find this resource invaluable It covers the literature on abortion and religion found in books essays journal articles academic dissertations and Web sites And unlike many of the available bibliographies this one focuses only on the religious and moral issues therefore providing greater depth on those two issues within one work

Evangelicals and Abortion J. Cameron Fraser, 2024-04-18 Evangelicals and Abortion traces the history and theological development of evangelical involvement in the abortion issue and recommends some models of a biblically based response with particular attention to the United States in the wake of the reversal of Roe v Wade in 2022 **The Gospel & Abortion** Russell D. Moore, Andrew T. Walker, 2017-01-01 The pro life movement didn t begin in the 1960s but in the Garden Abortion has been a divisive issue in American culture since the sexual revolution Yet the Bible is an unapologetic defender of human dignity Moreover Christians have always cared for the unborn the orphan and the least among us The time is now for this

generation to reaffirm what believers have always believed everybody is created in the image of God So what now Editors Russell Moore and Andrew T Walker of the Ethics and Religious Liberty Commission ERLC assemble leading voices to frame the issues with a gospel centered perspective The Gospel for Life series gives every believer a biblically saturated understanding of the most urgent issues facing our culture today because the gospel is for all of life *A Love for Life* Dennis R. Di Mauro, 2008-06-20 Is abortion ethical The answer to this question is often obscured by rhetoric slogans and politics And the media message on abortion is often of little help When the typical American opens up her morning newspaper she sees the topic debated between pro lifers and pro choicers but receives little information that could help her make an informed moral decision And as she reads further about the subject it seems that the Christian church often an ethical guide in many of her decisions is of no use to her Sadly she is told that the church is just as divided as the rest of society on the topic So our average American is left to fend for herself She must somehow decide the right answer with little guidance from society from the church or even from God himself But is our average American really without guidance Has she gotten all the information she needs about abortion or has she received only the five second sound bite that leaves her as confused as she was before she heard about the abortion debate And has God been silent on the abortion question Has the church really shown a diversity of opinion on the sanctity of life A Love for Lifewill provide Christians with the biblical and historical information that they need to make an informed decision on the abortion question It will also take a critical and biblically based look at the arguments and theologies of today s most prominent pro choice clergy And it will determine if abortion really fulfills the will of God as many pro choice Christians believe or whether abortion is a clearly sinful act In short readers of A Love for Lifewill discover the real message of the church on abortion *Deliver Us From Abortion* Brian Fisher, 2015-01-15 The author of Abortion The Ultimate Exploitation of Women offers a blueprint for the American Church to handle abortion in our country Consider that for the past forty years a staggering fifty six million Americans have been killed by abortion It claims the lives of over 1 2 million children every year or roughly one child every twenty five seconds So why isn t the American church doing something to stop this atrocity which is the greatest holocaust in American history The majority of American churches God s institutions for spreading the gospel of peace and defending the weak and innocent remain silent Feeding the poor stopping human trafficking rescuing children from abuse and protecting women from exploitation are all issues the church is addressing Yet abortion remains eerily absent from the list of church priorities in America Why isn t it the church s highest priority Is the American church silent because abortion has become politicized and church leaders are afraid to discuss it or because we simply don t know what the Bible says about it What will cause the church to wake up rise up and take this issue to task to save our children In his latest book Deliver Us From Abortion Brian Fisher co founder and president of Online for Life breaks the veil of silence and uncovers the reality of abortion in the church what the Bible really says about it and how God has empowered His church to end this unspeakable tragedy Praise for

Deliver Us from Abortion This book provides a powerful defense for the children who can't speak for themselves Josh McDowell bestselling author of 138 books including More Than a Carpenter Abortion is the greatest moral crisis of our generation yet far too many churches have remained silent In Deliver Us From Abortion Brian Fisher offers a blueprint for the American church that is both instructive and encouraging I pray that we can all hear and accept his challenge Dr Tony Evans president The Urban Alternative senior pastor Oak Cliff Bible Fellowship Growing up in the King family during the Civil Rights era I know what the church can accomplish I am so glad Brian has written this book May it challenge and equip the church to end the abortion holocaust in America Dr Alveda King director of African American outreach Priests for Life
