Global China: Internal And External Reaches Bryan Pak Nung Wong, Joseph Yu-shek Cheng, 2015-03-26 After two decades since the disintegration of Soviet Union in 1991 the largest and the most populist socialist state the People's Republic of China does not only manage to stay intact but has also emerged as the second largest economy in the world Moreover its political diplomatic military and cultural reaches have been extended to various parts of the world There have been many factual and fictional discussions and debates in the public domains on China's apparent rise either as a threat or an opportunity This book will take on these discussions and debates to provide theory informed empirical studies regarding a few research questions We consider that the idea and concept of Global China is perhaps the most viable analytical instrument to capture such increasingly complex phenomena in association with the rise of China **Sanghaya**, 2001

Historical Dictionary of the Philippines Artemio R. Guillermo, 2012 The Historical Dictionary of the Philippines Third Edition contains a chronology an introductory essay an extensive bibliography and several hundred cross referenced dictionary entries **Re-Imagining Creative Cities in Twenty-First Century Asia** Xin Gu, Michael Kho Lim, Justin O'Connor, 2020-11-20 This book responds to the lack of Asian representation in creative cities literature It aims to use the creative cities paradigm as part of a wider process involving first a rapid de industrialisation in Asia that has left a void for new development models resulting in a popular uptake of cultural economies in Asian cities and second the congruence and conflicts of traditional and modern cultural values leading to a necessary re interpretation and re imagination of cities as places for cultural production and cultural consumption Focusing on the Asian century it seeks to recognise and highlight the rapid rise of these cities and how they have stepped up to the challenge of transforming and regenerating themselves The book aims to re define what it means to be an Asian creative city and generate more dialogue and new debate around different urban issues **Philippine Radio and Television Factbook** University of the Philippines. Institute of Mass Communication, 1971

Countering Coercion in Maritime Asia Michael Green, Kathleen Hicks, Zack Cooper, John Schaus, Jake Douglas, 2017-05-24 In the past decade tensions in Asia have risen as Beijing has become more assertive in maritime disputes with its neighbors and the United States Although taking place below the threshold of direct military confrontation China's assertiveness frequently involves coercive elements that put at risk existing rules and norms physical control of disputed waters and territory and the credibility of U S security commitments Regional leaders have expressed increasing alarm that such gray zone coercion threatens to destabilize the region by increasing the risk of conflict and undermining the rules based order Yet the United States and its allies and partners have struggled to develop effective counters to China's maritime coercion This study reviews deterrence literature and nine case studies of coercion to develop recommendations for how the United States and its allies and partners could counter gray zone activity Philippine Business Report, 2008 **Some People Need Killing** Patricia Evangelista, 2025-03-04 TIME S 1 NONFICTION BOOK OF
