Stanley, 2016-09-27 As trusted pastor Dr Charles Stanley comes to the later years of his life he is ready to share his personal story on a more intimate level than ever before As he walks us through his ups and downs he shares how the biblical principles he s taught all his life affected the way he s actually lived In this new book from Dr Charles Stanley he looks his readers in the eye and says This is how my faith has worked for me at the most challenging times of my life and how it has led me to the victories God had in store for me As Dr Stanley looks back over his long life of ministry he is now ready to share how his personal faith choices directed his every step He shares how God walked with him through his most difficult days as a pastor when he faced internal conflict in a church he d led for years He bravely shares painful family issues that brought him to his knees and taught him to look to God for answers when life wasn t simple and trite answers didn t work Dr Stanley reminds us that choosing to follow and obey God when life is hard can be both the toughest and best thing we ll ever do As Dr Stanley reflects on the biblical teachings that have led him through his difficulties and joys he always comes back to this principle Do what God says is right and leave the consequences to Him no matter what that means

at Fifty Helen Carver, 2014-08-06 Twenty years from now you will be more disappointed by the things you didnt do than by the ones you did do Mark Twain Ever wondered if there must be more to life than this Ever thought Its now or never Ever wanted to travel the world Me too At the ripe old age of fifty I decided I wanted some fun I wanted to live rather than just exist I wanted some wild and whacky experiences to tell my grandchildren about in years to come So after years of feeling like a hamster in a wheel juggling work with children I rebelled in the most spectacular way I walked away from my job rented my house out went off travelling around the world for six months with my nineteen year old daughter and embraced a whole new way of life I hope you laugh as much as we did at the crazy things that happened to us and the madcap things we tried white water rafting skydiving hiking up glaciers jumping off waterfalls and posing naked in front of them to name a few

I hope it makes you realise that you only get one life and now is the time to start living it doing what you really want to and enjoying every precious moment Follow your dream you'll be amazed where they take you I did and my life has never been the same since For more information about Life Begins at Fifty please go to www.lifebeginsatfifty.info
