Abstract Adventure IV: a Kaleidoscopia Coloring Book Kendall Bohn, 2009-05-01 The wonderfully imaginative abstract images in Abstract Adventure IV were created free hand by artist Kendall Bohn I let each drawing design itself Each line influences the next from the first line to the last It is in the nature of intersecting lines to form patterns within shapes Overlapping shapes create depth The lines flow outside the edge of the page so the patterns may continue undistorted A pattern in an abstract form must stay consistently inconsistent to give the design order and reason The ever changing patterns are common threads that run through the designs making harmonies that like strings of musical notes balance the composition Harmony in abstract images is created through the slight variation of related shapes 26 of the 52 designs are what I call Clones These Clones are slightly altered from the original drawings forming another entirely unique perspective to the creative coloring experience This book contains color theories to guide you while coloring outside the box Colors also create harmonies discords patterns and depth Use these theories to help answer your questions and to bring out the artist in you Come Like us on Facebook and share your results Get access to free coloring pages <https://www.facebook.com/pages/Kaleidoscopia-Coloring-Books/197595267073>

Bold Reflections Adult Coloring Book Julie A. Bolduc, 2016-07-08 You will get 20 original kaleidoscope type designs in the book with slightly bolder lines than most adult coloring books This coloring book is 5 1/2 x 8 1/2 This smaller book is easier to take with you when you are out and about The designs in this book are like kaleidoscope designs but are based on 8 points instead of 6 The designs fill the pages so each page will look stunning when complete I recommend using colored pencils when coloring the designs so the color will not bleed through the paper If you do use felt tip markers or gel pens you should insert a piece of card stock behind the page you are working on to prevent the ink from transferring to the next page
