Perhaps this collection of transgressive abstracts is the liturgical confessions of a man whose life is snug on coin nevertheless  
he may have found but then abandoned love in Italy only to return to a perfidious life in the United States where his  
childhood memories revealed the true meaning of value Woman It s possible that his predisposition for freedom was in  
opposition to a relentless hysteria that tried to distort his concept of worth so perhaps he killed a man and became a tosspot  
toastmaster honoring crack whores to remind himself that there were worse things he could be Heroin may have slammed  
through his friends who never overcame their addictions Perhaps a new world lover in a DMT universe touched him as the  
pangs of aging surprised his trousers Or maybe he simply joined the Shoe Shine Cowboy Express      **Microfilm Abstracts**
