Biblical Principles of Being an Employee in Contemporary Organizations Bruce E. Winston, 2019-02-15 This book focuses on how employees should work and follow in contemporary organizations It begins with the call from Col 3 22 24 for employees to treat work as worship to God and to conduct their work to the best of their ability Prov 22 29 It then explains how employees should help each other but not to the point of self defeat Galatians 6 Employees are then cautioned for the need to be true followers but to know the extent to which being a follower might call them to be committed to both the organization and the leader manager This is the concept of Akoloutho The rewards of being diligent and faithful employees are conveyed through an examination of the Parable of the Talents The book concludes with an admonishment to everyone to prepare versus plan for one s personal life Managers plan for projects but should prepare for what God asks each of us to do and then to accept the opportunities that God presents to us

Biblical Principles of Hiring and Developing Employees Bruce E. Winston, 2018-02-21 This book begins with the scriptural support for person organization fit and person job fit The book then examines scriptural support for the four Cs of people s work fit Calling Competence Confidence and Character Finally the book uses Acts 6 1 7 as a basis for identifying the type of people one should look to hire The book covers two development concepts Nomos about ruling in an organization and progressive responsibility from Luke 16 10 The chapters present the concepts from a scriptural base and include composite case examples that relate to contemporary organizations
