

A woman with glasses and a striped shirt stands at the front of a meeting room, gesturing towards a whiteboard. The whiteboard displays a graph with a bell curve and various mathematical notations including $\sqrt{3}$, π , and 2π . Several people are seated around a long table in the foreground, looking towards the presenter. The table is cluttered with papers, a small potted plant, and a white mug. The scene is dimly lit, with light coming from windows in the background.
