Back In The Day Reflections Of A Baby Boomer:

Back in the Day: Reflections of a Baby Boomer Marino Amoruso, 2011-06-04 This is a collection of Marino Amoruso's newspaper column and blog BACK IN THE DAY. Reflections of a Baby Boomer Amoruso has the unique ability to put into words what all of us feel but sometimes have trouble expressing. In these pages are some of the most touching, poignant, humorous, and thought provoking stories you will ever read. Some will make you laugh out loud, others will bring a tear to your eye, and all are true reflections of a baby boomer. Many readers have compared this book to the writings of Jean Shepherd, and others liken the stories to those of best-selling author Bill Bryson. You can read BACK IN THE DAY Reflections of a Baby Boomer cover to cover or just pick it up and turn to any story in the book. Either way you'll thoroughly enjoy it.

Reflection on America's Great Loop George Hospodar, Patricia Hospodar, 2012 Adventure is not just for the young. Though I own a boat, was the opening phrase to their courtship and eventual married life. Little did Baby Boomer couple George and Pat Hospodar know then that those words would lead to their making a year-long journey of a lifetime aboard their boat. Reflection, almost forty years later. This book welcomes and encourages not only fellow boaters but also armchair adventurers and dreamers of all ages to join them aboard as they share a light-hearted real-life account of their travels on the circumnavigation of the waterways of the eastern United States and Canada. In addition, for those who may consider making this journey themselves, the authors offer insights and tips on Routes, Anchorages, Navigation, Locking, Marinas, Free dockage, Low bridges, Fuel stops, Restaurants, Shopping, Points of interest, and local history. Border crossings in Canada and the United States. Local marine weather websites and phone numbers. **A Baby Boomer's Decision Making** Francis J.

Kostel, 2010-08 A Baby Boomer's Decision Making drives the nation's 75 million baby boomers to examine life through the decisions they make, whether they are considering finances, changing national priorities, or the needs of aging parents. Boomers will explore decisions of love, school, career, family, and fun. From 1956 Chevrolets to Martin Luther King Jr., Vietnam, and the 21st century, memoir snippets expose the author's best and worst decision making. From these engaging stories, a model of decision making emerges, driven by individual experience in a distinctive combination of understanding relationships and God. A Baby Boomer's Decision Making creates a bridge from abstract theoretical manuscripts to the daily reality, dreams, and apprehensions of baby boomers. Mathematics unlocks the tools of decision making, and prejudice is an omnipresent force. The peaks and valleys of love, family, and career highlight the ingredients of decision making. Guidelines and principles of decision making solidify and further assist readers in reviewing the past, assessing the present, and preparing for their future. A series of activities and questions at the end of the book encourage individual reflection or small group discussion. Francis J. Kostel earned a Ph.D. from the University of Chicago. As superintendent of schools in suburban Chicago's St. Charles, he led the district of more than 13,000 students, 1,600 staff members, and 17 schools. He also served as principal of St. Charles High School, a nationally recognized Blue Ribbon high school, as a leadership consultant, and as a

mathematics teacher From the working class neighborhoods of Chicago to the White House Rose Garden Kostel has experience with organizational success and conflict resolution Through August One Consulting Kostel serves as an executive coach and mentor Kostel has given presentations throughout the country on leadership strategic planning personnel evaluation change and policy decisions He has written several articles and served on statewide and regional boards Kostel is a choir member and ballroom dancer He and his wife the love of his life for more than 38 years have two adult sons Comments and inquiries regarding A Baby Boomer s Decision Making and August One Consulting are welcome at augustone@sbcglobal.net
