Taking Down Backpage Maggy Krell, 2022-01-11 Taking Down Backpage explores fighting the world's largest sex trafficker [Criminal Investigation of Sex Trafficking in America](#) Leonard Territo, Nataliya Glover, 2013-11-01 Human trafficking is the third largest business for organized crime worldwide next to illegal weapons trading and drugs Written by well respected criminal justice scholars this book examines the criminal investigation of sex trafficking Providing a multidisciplinary exploration of this topic the authors discuss International and national persp *Hidden in Plain Sight* Kimberly Mehlman-Orozco, 2017-10-27 Pimp controlled sex workers exploited migrants domestic servants and sex trafficking of runaway and homeless youth are just a few of the many forms of sex trafficking and labor trafficking going on all around the world including in the United States This book exposes both well known and more obscure forms of human trafficking documenting how these heinous crimes are encountered in our daily lives What types of human trafficking crimes are being committed here in the United States Who are the victims of traffickers How do we all unknowingly consume the services and products of slavery And why are human traffickers able to maintain their illicit operations with relative impunity indeed with less than 01 percent of human traffickers ever being held accountable for their crimes *Hidden in Plain Sight* America's Slaves of the New Millennium documents how human trafficking and its byproducts touch every community in America from impoverished inner city neighborhoods to middle class suburbs and alcoves of wealthy estates It presents information derived from narrative accounts of real life trafficking cases interviews with convicted human traffickers empirical research and criminal case files to expose the grim realities of human trafficking in America perpetrated by Americans Readers will grasp the origins evolution and extent of the problem understand how trafficking plays an unrecognized role in our day to day lives and see why advancements in awareness and anti trafficking resources have not changed the status quo The victims of trafficking continue to be criminalized by law enforcement and the offenders continue to exploit and profit from new recruits This book equips readers with the knowledge needed to identify human trafficking cases and advocate for policy changes to end this scourge in America **How Sex Changed the Internet and the Internet Changed Sex** Samantha Cole, 2022-11-15 From the moment there was an online there was sex online The famous test image used by software engineers to develop formats like the jpeg was Lena taken from Playboy's November 1972 centerfold Early bulletin boards and multi user domains quickly came to serve their members sexual musings Facebook started as a way to rate hot or not Harvard co eds In fact virtually every significant development that defines the Internet we know and love and hate today privacy issues online payments and online banking dating social media streaming technology mass data collection came out the meeting of sexuality and technology Not only did sexuality vastly influence the internet but the internet arguably changed modern sexuality by giving every imaginable non heteronormative community a safe place to explore fantasize thrive and be accepted Which of course only led to more exploring more fantasizing more thriving A lively highly visual history filled with

broad themes and backstories pioneering personalities and eureka moments How Sex Changed the Internet and the Internet Changed Sex covers everything from Jennicam remember her to deep fakes And most of what came in between including A Brief History of Online Dating and the promise that VR spaces like the metaverse hold for the future of human sexual interactions Porn is just one part of the story Rather this is a story about human nature during the digital gold rush of the last fifty years Sex For Sale Ronald Weitzer,2022-11-22 Since the publication of the second edition in 2010 the field of sex work studies has expanded This fully updated edition of Sex for Sale Prostitution Pornography and Erotic Dancing presents an innovative in depth and nuanced analysis of sex work its risks and benefits and pays attention to newer and everchanging types of sex work and its actors as well as public policies and laws that govern its trade Now in its third edition this volume includes updated research on traditional forms of sexual labor and incorporates original empirically grounded research on newer or less researched phenomena New chapters explore the use of technology among street sellers blurring the line between street and online solicitation in addition to chapters on historical prostitution transgender workers illicit massage parlors male strippers commercial webcamming alternative policies and legal systems and the sex workers rights movement The combination of cutting edge and comprehensive analyses and carefully constructed methodologies in Sex for Sale makes it an excellent source of information for scholars and university students in gender studies sociology and criminology

Forensic Victimology Brent E. Turvey,2023-07-21 Forensic Victimology Examining Violent Crimes in Investigative and Legal Contexts Third Edition introduces criminologists and criminal investigators to the idea of systematically gathering and examining victim information for the purposes of addressing investigative and forensic issues The book continues the legacy of the first two editions with both theoretical and applied coverage of the subject of victimology The specific applications discussed remain investigative and provide legal venues designed to assist investigators and forensic examiners with the task of performing victimological assessments Sections delve into the areas of femicide and mass shootings which are global problems that further emphasize related casework and research Provides context and scope for both the investigative and forensic aspects of case examination and evidence interpretation Approaches the study of victimology from a realistic standpoint moving away from stereotypes and archetypes Includes case examples to demonstrate the application of forensic victimology **Rinsed** Geoff White,2024-06-13 Rinsed is a triumph If you want to understand how the chaotic world around us really works read this book MILES JOHNSON AUTHOR OF CHASING SHADOWS A riveting look at not only the nuts and bolts of cons and crimes but the techniques detectives use to stalk cyber criminals FINANCIAL TIMES Gripping THE ECONOMIST There s an old saying a rising tide lifts all boats It s normally couched in positive terms that overall economic improvement will benefit everyone In the case of hi tech money laundering however it offers a dark vision of the future The better these launderers become at their work the more crime of all types will be enabled It s time to understand where the water is rising before it washes over us all Money laundering has been around for centuries For as long as people have been

willing to steal money there's been an industry ready to wash it But recent tech innovations have created vastly complex new systems for laundering that threaten to overwhelm authorities destabilise economies and disrupt societies Rinsed is a revelatory investigation into the new army of innovative criminals using tech to launder money and the consequences for all of us

Wrong Numbers Glen Meek, Dennis N. Griffin, 2019-10-15 Cybercrime meets organized crime in this true crime story about a hacker attempting to control Sin City's call girl racket Was a hacker diverting phone calls meant for Las Vegas escort services The FBI wanted to know and so did associates of a New York Mafia family In one of the most unusual undercover operations ever the FBI had an agent acting as a manager in a real Las Vegas escort service Federal agents expected to find prostitution and drugs in the Las Vegas escort industry What their investigation uncovered was even more serious Praise for *Wrong Numbers* An intriguing and well researched crime story detailing the intersection of big money and quick sex in the city that contains a lot of both Jack Sheehan author of *Skin City* Wiseguys and wannabes are on the hunt for a shadowy hacker who may hold the keys to control of Las Vegas multi million dollar call girl racket while FBI agents are hunting them The result is a gripping true life crime story that reads like a collaboration between Elmore Leonard and William Gibson told with the knowing savvy of two longtime chroniclers of Sin City's hidden underbelly Kevin Poulsen author of *Kingpin* How One Hacker Took Over the Billion Dollar Cybercrime Underground In 90s Vegas call girls worked for entertainment services that were little more than phone numbers dispatchers and drop safes When a mystery hacker started diverting customers calls to one service's number it launched a series of dangerous events that involved the Mob feds hackers service owners and the phone system itself This slice of Sin City history is as little known as it is thrilling and it's well told by investigative journalist Glen Meek and crime writer Dennis Griffin Deke Castleman author of *Whale Hunt in the Desert* Secrets of a Vegas Superhost

Human Trafficking Wendy Stickle, Shelby Hickman, Christine White, 2019-08-19 Human Trafficking A Comprehensive Exploration into Modern Day Slavery examines the legal socio cultural historical and political aspects of human trafficking and modern day slavery in the United States and around the world The goal of this text is to provide an accurate understanding of all forms of human trafficking and current responses to this crime

Control and Protect Jennifer Musto, 2016-07-05 *Control and Protect* explores the meaning and significance of efforts designed to combat sex trafficking in the United States A striking case study of the new ways in which law enforcement agents social service providers and nongovernmental advocates have joined forces in this campaign this book reveals how these collaborations consolidate state power and carceral control This book examines how partnerships forged in the name of fighting domestic sex trafficking have blurred the boundaries between punishment and protection victim and offender and state and nonstate authority
