stigmatized nature the author bravely shares his story in the hope of helping others who may be struggling with addiction or know someone who has This book offers an intimate and enlightening look at the power of addiction and the strength it takes to overcome it Ultimately Porn Addict My Path to Nowhere and Maybe Somewhere is a powerful and thought provoking memoir that challenges readers to confront their own assumptions about addiction sexuality and the human experience It is a book that will stay with readers long after they have turned the final page Urban Land ,2007 Pretty Baby Chris Belcher,2022-07-12 Absolutely not to be missed Vogue A muscular canny memoir about labor and power and gender I couldn't put it down What a fucking gorgeous book Carmen Maria Machado author of In the Dream House A queer teen rebel escapes small town Appalachia and becomes Los Angeles's Renowned Lesbian Dominatrix in this searing and darkly funny memoir that upends our ideas about desire class and power The dominatrix is the id of American femininity She says the words that we all wish we could say when we find ourselves frozen in the presence of men No is principal among them So writes Chris Belcher who appeared destined for a life of conventional femininity after she took first place in an infant beauty contest a minor glory that followed her around a working class town of 1 600 people in rural West Virginia But when she came out as queer the conservative community that had once celebrated its prettiest baby turned on her A decade later living in Los Angeles and trying to stay afloat in the early years of a PhD program Belcher plunges into the work of a pro domme Branding herself as Los Angeles's Renowned Lesbian Dominatrix she specializes in male clients who want a domme to make them feel worthless shameful and weak all the abuse regularly heaped upon women for free A queer woman whom men can trust with the unorthodox sides of their sexualities Belcher is paid to be the keeper of the fantasies that they can't enact in their everyday relationships But moonlighting as a sex worker also carries risks like the not so submissive who tries to turn the tables and the jealous client out for revenge As Belcher moves between the embodied world of the pro domme and the abstract realm of academia she discovers how lessons from the classroom apply to the dungeon and vice versa Still fear that her doctoral program won't approve burdens her with a double life Pretty Baby is her second coming out In this sharp and discerning memoir we see through Belcher's eyes how power and desire can be renegotiated or reinforced **Fire Dreams** Laura McTighe,2024-01-22 For thirty five years the New Orleans based Black feminist collective Women With A Vision WWAV has fought for the liberation of their communities through reproductive justice harm reduction abolition feminism racial justice and sex workers rights In 2012 shortly after one of WWAV's biggest organizing victories arsonists firebombed and destroyed their headquarters Fire Dreams is an innovative collaboration between WWAV and Laura McTighe who work in community to build a social movement ethnography of the organization's post arson rebirth Rooting WWAV in the geography of the South and the living history of generations of Black feminist thinkers McTighe and WWAV weave together stories from their founders pioneering work during the Black HIV AIDS crisis in the 1980s and their groundbreaking organizing to end criminalization in the aftermath of Hurricane Katrina with other movements for liberation as accomplices
