Subcommittee on Commerce, Justice, Science, and Related Agencies, 2014 **Congressional Record** United States. Congress, 2012 **Sex Trafficking in the United States** Andrea J. Nichols, 2016-08-23 Sex Trafficking in the United States is a unique exploration of the underlying dynamics of sex trafficking This comprehensive volume examines the common risk factors for those who become victims and the barriers they face when they try to leave It also looks at how and why sex traffickers enter the industry A chapter on buyers presents what we know about their motivations the prevalence of bought sex and criminal justice policies that target them Sex Trafficking in the United States describes how the justice system activists and individuals can engage in advocating for victims of sex trafficking It also offers recommendations for practice and policy and suggestions for cultural change Andrea J Nichols approaches sex trafficking related theories research policies and practice from neoliberal abolitionist feminist criminological and sociological perspectives She confronts competing views of the relationship between pornography prostitution and sex trafficking as well as the contribution of weak social institutions and safety nets to the spread of sex trafficking She also explores the link between identity based oppression societal marginalization and the risk of victimization She clearly accounts for the role of race ethnicity immigrant status LGBTQ identities age sex and intellectual disability in heightening the risk of trafficking and how social services and the criminal justice and healthcare systems can best respond This textbook is essential for understanding the mechanics of a pervasive industry and curbing its spread among at risk populations Please visit our supplemental materials page <https://cup.columbia.edu/extras/supplement/sex-trafficking-united-states> to find teaching aids including PowerPoints access to a test bank and a sample syllabus *Fighting the US Youth Sex Trade* Carrie N. Baker, 2018-09-27 Campaigns against prostitution of young people in the United States have surged and ebbed multiple times over the last fifty years Fighting the US Youth Sex Trade Gender Race and Politics examines how politically and ideologically diverse activists joined together to change perceptions and public policies on youth involvement in the sex trade over time reframing juvenile prostitution of the 1970s as commercial sexual exploitation of children in the 1990s and then as domestic minor sex trafficking in the 2000s Based on organizational archives and interviews with activists Baker shows that these campaigns were fundamentally shaped by the politics of gender race and class and global anti trafficking campaigns The author argues that the very frames that have made these movements so successful in achieving new laws and programs for youth have limited their ability to achieve systematic reforms that could decrease youth vulnerability to involvement in the sex trade *United States of America Congressional Record, Proceedings and Debates of the 113th Congress First Session Volume 159 - Part 13* , **Social Networks Analysis and Mining** Luca Maria Aiello, Tanmoy Chakraborty, Sabrina Gaito, 2025-01-24 This LNCS conference 4 volume set constitutes the proceedings of the 16th International Conference on Social Networks Analysis and Mining
