Backtrack An Amnesia Romance:

Backtrack Blue Davis, 2017-10-13 Her Memories are jewels of the privileged I don't know the good times or the bad I only know the here and now My surroundings bear no resemblance to me He swore a hundred times he knows nothing of my past Can I trust him How did I get here More importantly where did I come from I need answers I need to find home Him My life has been turned upside down since that day I found her in the snowy woods I don't know where she came from but I do know she came into my life for a reason She is a good woman fit to be a decent mother to my three boys The cabin is brighter since she got here I want her to stay Q A with Author Blue Davis Where does the story take place The story mostly takes place in Lapland Sweden This is a mountainous area of Northern Sweden It is home to the Ice Hotel and Northern Lights It is arctic Nordic and close to the North Pole It is home to indigenous Scandinavians Why Sweden I think it's interesting to have a black American girl wake up in a place that is so far from home that there is not a single person there that looks like her or knows where she came from She has amnesia in a big way There is a major contrast between the way she looks and the way these bright blond haired people look and she searches endlessly to find out the reason why she has ended up there This is a good examination of whether love between a black woman and a white man can transcend race and culture If you woke up tomorrow and had no past would you still choose the same or similar partner This is not your everyday interracial BWWM story It takes a closer look at the phenomenon of love How can two people from two different sides of the world fall in love Is this a series or stand alone This is a fast paced suspenseful stand alone novella I don't plan on making it a series but I never say never What's the steam level All the way It's super hot in some scenes and underlying sexual tension in others Mint

Blue Davis, 2017-11-23 Lexi Steele began as a jewel thief in Seattle Brave clever and a little reckless she defied the status quo while satisfying her hunger for an adrenaline high When a high rise diamond heist went wrong she promised herself to stick to retrieving unclaimed gold which was less likely to lead to violent situations Did she sentence herself to a boring life Hardly She now trots around the globe seeking lost treasure of the world There's just one problem As exciting as her life is she has no one to share it with James Ashton her chief rival in the business would love to fix this problem for her Too bad they have been competing in the same field for almost a decade Granted they've been flirting for almost that whole time but at the end of the day business has always been business When Lexi discovers that she needs a man to help her deal with locals in Haiti she makes a somewhat reluctant offer to split the take with him in return for a temporary partnership Is the implausible partnership doomed from start or will they cooperate and learn to work together When events take a turn for the worse she and James must rely on each other to escape back to the States with the pirate gold Do they lay aside their differences and fight to succeed or do they push each other away and end in failure This action packed love adventure is a standalone and contains sex and violence for adults only Interview with Author Blue Davis Who is the female main character This isn't your typical damsel in distress story Lexi is like a cross between Tomb Raider's Lara Croft and Letty from The Fast the Furious

She is cunning and street smart and is not to be underestimated Who is the male main character He s a hottie muscle bound smooth talking He s trouble Is this a series or stand alone Standalone with HEA What is the steam level All the way Super caliente mind blowing sex What type of book can a reader expect This is a BWWM interracial adventure and pirate romance with a hint of humor and a satisfying ending It s suspenseful sexy and contains some really cool fight scenes Enjoy *The Billionaire's Waitress Boxed Set* Blue Davis,2017-03-26 Looking for BWWM Interracial Romance featuring black women white men Try a whole BOXED SET Bundle Includes Extra Special Bonus Holiday Romance Limited Time Only All books contain elements of sex and violence For adults only BOOK 1 Nia Jones could tell you a few things about men they hurt they lie and they ll do anything to cheat their way into your heart Nia Jones is an independent black woman who survived abuse from her ex back in Long Beach Now she lives in Houston where she cares for her grandmother and attends college The last thing she needs is a man weighing her down She meets Jake Carlton a restaurant patron at the steakhouse where she works A sexy suave businessman from Tanglewood Jake takes her into an enchanting world studded with diamonds pearls and fast cars But does he truly love her or is it just a game to conquer and control her heart When Jake introduces her to family and friends she quickly learns how unwelcome she is and finds herself entangled in a web of broken trust She must make a choice of whether to stand and defend her love or to face defeat and be sworn to a life without Jake Will she learn to hold her own in a woven tale of love sex and deceit or will she destroy the bond that binds them This is a fast paced Interracial BWWM Romance Book BOOK 2 Nia Jones has fallen for the one man who could take her heart and shatter it to pieces Nia Jones has moved from Long Beach to Houston to attend college and care for her grandmother Her abusive ex boyfriend has trekked all the way from California to track her down What the ex doesn t know is that billionaire Jake Carlton is the sole owner of Nia s heart However Jake is sworn to another woman through a pregnancy mishap Will Jake and Nia ever learn to love or will they be haunted forever by their past mistakes In a strange twist of fate the abusive ex winds up at the billionaire s Tanglewood mansion A Texas style showdown occurs in which there is only one victor Will they be able to seal their future together or will they be overpowered by a disastrous sequence of troublesome events This is a fast paced Interracial BWWM Romance Book BOOK 3 Is a man worth dying for Nia Jones is a strong black woman who has just been asked to marry by one of the richest bachelors in the world He invites her to vacation on a mysterious tropical island Everything seems picture perfect However things take a turn for the worse when she receives a call from home She discovers that not everyone is so excited about the prospect of marriage In fact a group of people would rather see her dead Will Jake and Nia risk building a dynasty of their own or will they break it off and decide that each other s lives are just too precious to lose This is a BWWM pregnancy erotic romance BOOK 4 BONUS HOLIDAY SHORT STORY Nia thought she had it all a baby a billionaire and an island mansion in Fiji When her man Jake needs to leave for a sudden business trip Nia is left to fend for herself in a world of uncertainty Will she prove she can take care of the billion dollar dynasty without him When her friend takes her on a diving

Memories of Us Kennedy L. Mitchell, 2018-12-10 BRENTON I'm a desperate man The memories I've lost now threaten my future After years spent escaping my family's high society drama I'm back in town to fix my past Only one person can help The gorgeous and headstrong Rebeka Harding who hates me for something I can't remember I'll do anything including striking a unique deal with the one woman I want but can't touch She agrees with one condition just friends no benefits We'll see how long that lasts REBEKA For thirteen years I've resented Brenton Graves for deserting me I've tried to move on refusing to think about what might have been Now he's back in town seeking redemption and looking as sexy as ever When he asks for my help I know better than to accept But I will Because no matter how much I want to hate Brenton I don't Five days to help him remember and for me to finally get closure It's what I need but his touch is what I crave

Megan's Second Chance Willa Lyons, 2024-02-16 My long lost love staggered back into my life his memories lost in a blizzard's swirling grasp Now fate snows us in the girl who got away and the man determined to make amends I've avoided romance since Jasper left me shattered Yet here he lies that rugged frame still making my pulse race as I tend his wounds The strong arms that once held me now lie limp his mind a blank slate His sea green eyes seem to recognize me through the fog They rekindle flames I've kept on ice since our promise of forever was ripped apart We were inseparable until the day my ambitions pulled me far from our mountain home His jealousies demolished any hope of happily ever after as youth's reckless fire raged out of control A decade later he's back a phoenix risen from the ashes of our past My wary mind urges caution but my hopeful heart wants to rekindle what we once had If

warm nostalgia continues melting my icy defenses I may cave like fresh powder before his enduring charm
