Why is it a bad plan?

This plan is not very good for several reasons.

- Firstly, it is not structured in any kind of sensible order.
- The ways in which the teacher will deal with the grammar point is not clear whatsoever and doesn't seem to have a logical order in terms of presenting, practicing and playing. T
- he activities themselves are put into a random order with no real sense of how one will naturally lead into the other.
- The lack of detail is another serious flaw.
- With vague mentions of activities the teacher may easily lose their way during the lesson without any way to remind themselves how games and activities should be done properly.
- There is no mention of interactions and purpose with each aspect of the lesson so the teacher is not making sure that they cover all the essential elements of the class.
- Finally the timings are obscure and uncertain.
- Therefore it is difficult for the teacher to keep track of each how long they should be spending on each activity and where they should be at any given point during the lesson.

Good Boys, Bad Hombres Michael V Singh, 2024-04-16 The unintended consequences of youth empowerment programs for Latino boys Educational research has long documented the politics of punishment for boys and young men of color in schools but what about the politics of empowerment and inclusion In Good Boys Bad Hombres Michael V Singh focuses on this aspect of youth control in schools asking on whose terms a positive Latino manhood gets to be envisioned Based on two years of ethnographic research in an urban school district in California Good Boys Bad Hombres examines Latino Male Success a school-based mentorship program for Latino boys Instead of attempting to shape these boys' lives through the threat of punishment the program aims to provide an invitation to a respectable and productive masculinity framed as being rooted in traditional Latinx signifiers of manhood Singh argues however that the promotion of this aspirational form of Latino masculinity is rooted in neoliberal multiculturalism heteropatriarchy and anti-Blackness and that even such empowerment programs can unintentionally reproduce attitudes that paint Latino boys as problematic and in need of control and containment An insightful gender analysis Good Boys Bad Hombres sheds light on how mentorship is a reaction to the alleged crisis of Latino boys and is governed by the perceived remedies of the neoliberal state Documenting the ways Latino men and boys resist the politics of neoliberal empowerment for new visions of justice Singh works to deconstruct male empowerment arguing that new narratives and practices beyond patriarchal redemption are necessary for

a reimagining of Latino manhood in schools and beyond Bad Boy in Her Bed Katja Desjarlais, 2025-04-24 Bad boy Birch Baker doesn't run until he meets a woman worth running for. Tattoo artist Birch Baker has one goal: support his younger brothers so they can escape their hometown and build successful lives without the burden of the notorious Baker reputation. An ex-con from the wrong side of the water tower, he works hard and keeps his head down, looking up just long enough to see his high school crush, Jocelyn Carter, walk through the door of Serpent's Tongue Ink. Forensic accountant and former golden girl track star, Jocelyn is back in Epson to hunt down the cooked books of shell companies feeding an elusive corporation with potentially criminal connections. A chance run-in with one of Epson's infamous Baker boys is an alluring distraction until she discovers one of the businesses she's investigating belongs to Birch Baker, the man currently warming her bed and stealing her heart. She won't risk losing her integrity or career. He won't risk losing his family. But both are losing themselves in each other, and sooner or later, something has to break.
