After you and your friends have read *Anika and the Great Dog Rescue*, go over these questions and talk about how you each might answer them. These questions are about your thoughts, feelings, and ideas, so there's no right or wrong answers, just honest ones you can share with your friends to get to know each other better!

1. Anika really wants a pet, but her parents didn't allow it for a long time because it's such a big responsibility. Are there any responsibilities your parents say you're not ready for? What could you do to prepare yourself to grow and show you are responsible enough for a new challenge?
2. Harper has been Anika's best friend for a long time, but recently Harper's been hanging out with a different crowd and not being so nice to Anika. The friends fight, but by the end, it seems like they are spending time together again. Do you think their friendship can go back to normal? Why or why not? What do you think could improve the chances of them being super close friends again? What would make a difference to you if you were in Anika's shoes?
3. Volunteering at Paws and Whiskers is so fun for Anika's Girl Scout troop because they get to combine their love of animals with helping their community. What are some of your interests or favorite things and how could you use them to better your community?
4. Do you think Anika did the right thing by not telling her family right away about the stray dog? Why or why not? What would you have done?
5. Mrs. Davis might seem a bit scary at the start of the book, but by the end it turns out she's very different from what Anika first thought. How would you describe Mrs. Davis' personality? Have you ever made incorrect assumptions about someone, but then been surprised? Think about that experience. Has it made you more open minded about people in general? Why or why not?
