Abusing Scripture The Consequences Of Misreading The Bible:

Abusing Scripture Manfred Brauch, 2009-03-17 Virtually all Christians recognize the centrality of the Bible to their faith Yet many Christians misquote and misapply Scripture regularly Often those who are most passionate about the authority of the Bible are at the greatest loss when it comes to understanding its message clearly and applying it faithfully Professor Manfred Brauch believes this kind of mistaken interpretation and application of Scripture is a detriment to the integrity of our Christian witness and contributes to profound misunderstandings in Christian belief and practice In this practical book written with the non specialist in mind Manfred Brauch identifies and corrects a number of basic errors that interpret and apply biblical texts in ways that distort their meaning and message Chapters explore issues of context genre consistency author intent and other important considerations addressing not just the act of interpretation but also the attitudes behind the ways we choose to apply Scripture Whether you lead a Bible study or small group are a pastor or Sunday school teacher are engaged in biblical study at a college or seminary or are just an everyday Christian who wants to understand how to interpret God s Word well and recognize good interpretation or the lack thereof when you encounter it this important book will be an invaluable guide

Mastering the Discipline of Bible Study Jenai J. Rasmussen Ed.D., 2022-07-22 This work along with the other volumes in the Foundational Knowledge of the Bible series can help those who are young in the faith to seek a Christian relationship with God All who choose to enter into the new covenant must concurrently embrace a new perceptual field By heeding God s call to service believers embark upon a Christian journey to become wise from the application of spiritual knowledge This is made possible with the indwelling of the Holy Spirit who guides covenant believers in the faithful word of God which is the source of all spiritual truth in this world The intended purpose presented in this plan of action is to speak the truth of God in love so that the brethren can learn godly discernment be equipped with sound doctrine and grow together in all things according to Christ s authoritative leadership Eph 4 15 By becoming covenant Christians set apart by God for his particular use we can be diligent by precisely and accurately handling the word of truth 2 Tim 2 15 This series can serve to edify and ground those who are new in the faith because the revelation of God provides all the essential answers to life s pressing spiritual questions whether general or specific Accordingly Christ s disciples need to comprehend the questions before the answers can have real meaning No greater reason can be given for studying the Bible Therefore the people of God are duty bound to master this Christian discipline The first volume in this series is divided into three phases of Bible study Why addresses the importance of knowing God s word study motivations conditions for discipleship Christian distinctions and the attributes needed to study biblical truth How covers preliminary actions Bible versions principles study considerations and necessary skills What offers a unique sevenfold framework for understanding the Bible Divine power can move the Scriptures to be more than words on a page It can become a life changing force for good in the world To that end this resource directs the reader on how to inquire search and ask diligently concerning godly truth Invaluable information

accessible resources clear educational materials and deep biblical insights will all quickly serve to establish beginning students in the Sacred Text This work will also prepare the reader to receive the Scriptures by learning how to obtain a faithful accounting of spiritual truth To be sure wisdom is the result of applying biblical knowledge to our lives By speaking divine truth in love believers can grow together in Christ as fellow workers who labor in the word of God There is no greater work in this world than to share this life saving truth with others The obligation of receiving divine knowledge requires that it be shared Truly giving the hope and joy that is found in Jesus Christ and the message he brought from the Father is the greatest privilege of a human life Amen and amen **In Defense of the Bible** Steven B. Cowan, Terry L. Wilder, 2018-11-26

In Defense of the Bible gathers exceptional articles by accomplished scholars Paul Copan William A Dembski Mary Jo Sharp Darrell L Bock etc addressing and responding to all of the major contemporary challenges to the divine inspiration and authority of Scripture Reading the Bible outside the Church David G. Ford, 2018-07-12 In many places in the Western world churchgoing is in decline and it cannot be assumed that people have a good grasp of the Bible s content In this evolving situation how would the person on the street read the Bible Reading the Bible Outside the Church begins to answer this question David Ford spent ten months at a chemical industrial plant providing non churchgoing men with the opportunity to read and respond to five different biblical texts Using an in depth qualitative methodology he charts how their prior experiences of religion sense of non religious identity attitudes towards the Bible and beliefs about the Bible all shaped the readings that occurred **The biblical concept of the 'Davidic Covenant' in 2 Samuel and Ezekiel and its**

implications for African leadership Victor Lonu Budha, 2023-10-30 Scholars have offered insight into the Davidic Covenant and the future hope for Israel However their works up to this point have overlooked a detailed influence of 2 Samuel 7 on Ezekiel 34 and 37 Therefore reading the text of Ezekiel in relation to the original form of the Davidic Covenant may reveal further indications of the literary theological and conceptual influence of 2 Samuel 7 and the help it provides in understanding the function of the promised ruler in Ezekiel 34 and 37 An intertextual approach proves to be relevant to establishing this influence The intertextual approach used for the exegesis in this book establishes how biblical books are connected and proves the influence of the text of 2 Samuel on that of Ezekiel 34 and 37 The study of 2 Samuel 7 in relation to the Davidic Covenant underscores God s faithfulness and concern for his people Godly leadership is the kind of leadership that God desires for his people Looking closely at the Davidic Covenant and God s promises in Ezekiel s text we can see that they encompass important implications for African leadership **The Routledge Companion to the Practice of**

Christian Theology Mike Highton, Jim Fodor, 2015-03-24 This Companion introduces readers to the practice of Christian theology covering what theologians do why they do it and what steps readers can take in order to become theological practitioners themselves The volume aims to capture the variety of practices involved in doing theology highlighting the virtues that guide them and the responsibilities that shape them It also shows that the description of these practices virtues

and responsibilities is itself theological what Christian theologians do is shaped by the wider practices and beliefs of Christianity Written by a team of leading theologians the Companion provides a unique resource for students and scholars of theology alike Biblical Preaching and Teaching Dallas R. Burdette, 2010-09 One objective of this book is to set forth an interest in the Book of Ephesians and the Book of Philippians Ten studies are developed from Ephesians in order to explain predestination election and the richness of God's grace Chapters 11 and 12 advance God's salvation with an emphasis in Chapter 11 concerning the role of women in sharing the message of redemption Chapter 13 examines one's life before rebirth and life after rebirth Chapter 14 looks carefully at arguments adopted to condemn instrumental music in the Christian assembly The next seven chapters 15-21 investigate several statements from the Book of Philippians with accent upon God working in us to accomplish His outreach to the lost Three chapters 22-24 look at the purpose of the church church and ministry and the identification of the church Chapter 25 sets forth the biblical date for the Exodus as well as biblical chronology versus liberal chronology The next chapter 26 looks at the prophetic ministry Chapters 27 and 28 review the prophet Jonah with an emphasis upon his psychological setback in his first refusal to carry out God's command to go to Nineveh Chapter 29 discusses God's admonition to Joshua Chapters 30-32 scrutinize 1 Timothy 2:11-15 which in depth study is an overview of the Pastoral Epistles This study seeks an answer to Paul's negative declaration about the participation of women in the church at Ephesus These particular women were involved in the telling of stories about their gods and goddesses as well as the practice of magic They did not understand the true nature of Jesus The next three chapters 33-35 analyze the identity of Jesus And finally Chapter 36 is written from an apologetic viewpoint which reading concentrates upon the cell to demonstrate that there is an Intelligent Designer Out of Context Richard L. Schultz, 2012-11-01 Although 92% of American households own at least one Bible their use of the Bible varies significantly Only 59% of Americans read the Bible at least occasionally and an even smaller percentage go beyond merely reading the Bible and actually study it It is no wonder that even those who say they read the Scriptures often don't understand them Veteran Bible professor Richard L. Schultz believes the misinterpretation and misapplication of biblical texts amounts to a crisis of interpretive malpractice In Out of Context he seeks to explain how biblical interpretation goes wrong and how to get it right He introduces readers to the important concepts of context word meaning genre and the differences between the world of the Bible and our own Readers who delve into the fascinating world of biblical interpretation found in this book will find their Scripture reading enhanced and be enlightened by Schultz's powerful and ultimately positive message **Christian Controversies** Scott Haraburda, 2013 The Greatest is Love God wants us to love our neighbors If this is the premise of being Christian then why do thousands of denominations claim to be the right and true one implying that all others are false The author searches for truth and explores real world issues concerning Christians throughout history and today and the future of Christianity in this ever changing world Join the author as he challenges you to think outside of your comfort zone and questions what you might

have been told not to question about the Word of God This book contains many facts and true stories some you might recognize and some from the author s own life as he logically discusses controversial subjects such as a Perfect Bible sex lying killing ethics Christian leadership Bible thumping judgment and women s rights It is well documented and written in easy to understand language to arm you with the knowledge you need to discuss Scripture in an educated and meaningful way and to develop a real world perspective of Christianity a must read for all who profess to be Christian *Biblical Preaching and Teaching* D.
