Academic Motherhood How Faculty Manage Work And Family:

Academic Motherhood Kelly Ward, Lisa Wolf-Wendel, 2012-08-31 *Academic Motherhood* tells the story of over one hundred women who are both professors and mothers and examines how they navigated their professional lives at different career stages Kelly Ward and Lisa Wolf-Wendel base their findings on a longitudinal study that asks how women faculty on the tenure track manage work and family in their early careers pre tenure when their children are young under the age of five and then again in mid career post tenure when their children are older The women studied work in a range of institutional settings research universities comprehensive universities liberal arts colleges and community colleges and in a variety of disciplines including the sciences the humanities and the social sciences Much of the existing literature on balancing work and family presents a pessimistic view and offers cautionary tales of what to avoid and how to avoid it In contrast the goal of *Academic Motherhood* is to help tenure track faculty and the institutions at which they are employed make it work Writing for administrators prospective and current faculty as well as scholars Ward and Wolf-Wendel bring an element of hope and optimism to the topic of work and family in academe They provide insight and policy recommendations that support faculty with children and offer mechanisms for problem solving at personal departmental institutional and national levels

Family-Friendly Policies and Practices in Academe Erin K. Anderson, Catherine Richards Solomon, 2015-04-16 This volume discusses why faculty and administrators of academe should care about implementing family friendly policies and practices as well as how they can advocate for policy changes In section one the book's focus is on empirical studies that demonstrate the need for innovative programs and policies for faculty at colleges and universities These pieces explore issues such as the value of work life programs for employee retention the need for a variety of family support policies including elder care and the influence of workplace culture on the use of existing policies Section two includes case studies of the process of formulating family friendly policies and their adoption at a variety of universities The subjects of these chapters include use of the Family and Medical Leave Act the enactment of a parental leave policy the development of a unique life cycle professorship program and strategies used to implement new policies The case study chapters provide descriptions of the identification of faculty and staff needs and the process of policy development as well as advice to faculty and administrators who seek to develop similar policies at their institutions

How Ideal Worker Norms Shape Work-Life for Different Constituent Groups in Higher Education Lisa Wolf-Wendel, Kelly Ward, Amanda M. Kulp, 2017-01-10 Work and family concerns are increasingly on the radar of colleges and universities These concerns emerge out of workplace norms suggesting that for employees and students to be successful they must be ideal workers This volume explores work norms in higher education focusing on the ways that employees and students interpret and experience ideal worker expectations in light of family responsibilities Chapters address how the ideal worker norms vary for tenured and non-tenure track faculty administrators undergraduate and graduate students and offers recommendations for modifying work
