between the two lands Worldship Files: Mutiny Erik Schubach, When the Earth is threatened by a slowly expanding sun mankind embarks upon a mission to send a mammoth Worldship to settle a new planet across the stars The preternatural races step out of hiding to work with the humans to save what they can from their dying world With the aid of the Fae shape shifters Vampires and other creatures of supernatural lore the Worldship Leviathan is complete one thousand years later Lotteries are held and only twelve million souls are selected to make the ten thousand year journey to the new world aboard the multi generational starship The Worldship Files follow the cases of Knith Shade a human law enforcement officer of the Enforcers Brigade aboard the Leviathan five thousand years into her journey As the Leviathan recovers from the battle brought to it by the Artifact on the alien vessel that pierced her hull Knith finds herself embroiled in a plot to wrest control of the Worldship and the Ka Infinitum by two rival sects of rebel magic users All is not as it seems as Knith finds herself in another struggle to find the truth and do what is right **Techromancy Scrolls: New Cali** Erik Schubach, 2019-11-27

Almost three thousand years after an extinction level event on Earth mankind seeks to regain its former glory in a new world where magic and technology collide As the aftermath of the war against Avalon settles and life in the lands of Sparo return to a semblance of order the matron of the library Emily also known lovingly as the Queen of the Scrolls decides it is time for her to return home It was revealed in the war that Emily possessed magic and had come from lands faraway to observe the people of Sparo and document their culture as the First Seeker of her Sect Her homeland New Cali lay far to the south beyond the Fringe and out into the Uninhabitable Lands The diminutive librarian had determined that Sparo had surpassed New Cali in both knowledge and technology even though they were still a people capable of great violence and thus it was time that the two people met to share their cultures and knowledge with each other An expedition is arranged led by the Great Mother of the Mountain Gypsies Laney of Wexbury Laney faces her greatest challenge to date while confronting dark buried within her that is fighting to get out Old and new enemies abound and if she survives what is in store for her Laney will never be the same again
