Backgammon For Dummies Backgammon For Dummies:

Backgammon For Dummies Chris Bray, 2011-02-14 A comprehensive and fun guide to Backgammon Backgammon is one of the oldest games in the world the origins of which date back some 5000 years and it s still going strong It enjoyed a huge resurgence in the 1970s and then again in the 1990s with the popularity of the Internet where millions of people play tournaments online every day Today backgammon s following in the UK is huge with a dedicated British Isles Backgammon Association and hundreds of face to face tournaments taking place across the UK every year In this book backgammon expert Chris Bray walks you through the basics of setting up a board opening strategies middle and end game tactics and tips on when to make key moves You ll also get to grips with basic probabilities the doubling cube and the 25% rule And if you want to take your gaming further there s plenty of advice to get you started in tournament backgammon as well as playing online Suitable for both beginners and experienced player looking for more tips and techniques Backgammon For Dummies includes coverage on Starting and Playing the Game Handling the Middle Game Bearing Off The Last Lap Varying the Play About the author *Backgammon for Complete Beginners* Robert Ticker, 2021-01-11 Backgammon is a fun strategic game played by two players Be the first player to remove all your checkers from the board to win this game Backgammon is easy to learn but takes time to master The object of Backgammon is to move your checkers around the board by rolling dice The number rolled equals the number of points a checker can move First move all your checkers to your home board Second move all your checkers off the board The game begins with each player rolling one die The player with the higher number rolled gets to use both dice for the first move Each dice is moved separately and can be moved forward to any point that is not blocked When your opponent has two or more checkers on a point that point is blocked If the point has your own checkers no checkers or only one opponent checker the point is open When both dice are rolled with the same number the player will move double For example if double threes are rolled the player will move three points four times When a player moves a checker onto a point that only has one opponent checker the opponent s checker is placed on the middle bar Any checker on the middle bar has to be returned into play before making any other moves A checker returns to the board on your farthest point i e the 24th point Get your copy today by scrolling up and clicking Buy Now to get your copy today *How to Play Backgammon for Beginners* George Federick, 2021-02-21 LEARN HOW TO PLAY BACKGAMMON LIKE A PRO Backgammon is the most popular board game for 2 players origins dating as far back as 3000 BC It is a game of luck and strategy and popular around the world Easy to learn and fun to play it is no wonder why it has withstood the test of time and is played by so many people The object of the game is to move all your checkers into your own home board and then bear them off The first player to bear off all of their checkers wins the game Backgammon is not being played properly unless it is being played for stakes So the ultimate objective of a Backgammon match is to win more stakes than the opponent which is the main aim of this guide To learn the rules and winning strategies of this game Kindly Click on BUY NOW *Backgammon in the Wind* Chris

Bray,2016-05-30 This is the final at least for now book in the Wind series of backgammon books The book is an anthology of the final three years of Chris s columns from The Independent newspaper in the United Kingdom plus some other material produced for the United Kingdom Backgammon Federation Backgammon for Beginners W. C. Livingston,2019-10-18 Backgammon can be mentally stimulating as it can encourage you to sharpen your counting skills Counting skills can certainly come in handy in life They can lead to higher paying careers a feeling of accomplishment and a general sense of well being One of the good things about Backgammon is that it can help you practice these skills as you play the game Learning doesn t have to be boring nor should it be If you re ready to embark upon the journey of learning how to play one of the oldest games in history keep reading This book will cover An overview of Backgammon How to set up the game How to play Rules Strategies and more The Wind of Change Chris Bray,2013-08 Chris Bray is the backgammon columnist for The Independent and has been playing and studying the game for over thirty years In this anthology of his most recent Independent articles he traces the further development of many aspects of the game The game continues to evolve and the last twenty years have seen a period of rapid development in the game This is largely because of the advent of backgammon computer programs JellyFish Snowie and most recently eXtreme Gammon Consequently the modern expert player is light years ahead of his 1990s counterpart The material in this book covers not only the development of backgammon theory but also looks at the history of the game including some of its more famous and colourful players The timeless characters that make up Chris s menagerie continue to paint a vibrant picture of life in the high stakes chouette Sherlock Holmes and Doctor Watson are also on hand to lend instruction and for this book Jeeves and Wooster have joined the party as well *What Colour is the Wind?* Chris Bray,2006-05-25 The game of backgammon has developed significantly over the last four to five years It is no coincidence that this development has happened in parallel with the arrival of sophisticated computers Chris Bray is the backgammon columnist for The Independent newspaper in the UK In this anthology of his Independent articles of the last four years the arrival and influence of the silicon players can be clearly traced The material covers not only the development of backgammon theory but also looks at the history of the game such as the advent of the doubling cube and some of the more colourful players who have played the game A menagerie of players such as Barry Bigplay Nigel Natural and Quentin Quickcube help to paint a graphic picture of life in the high stakes chouette the very lifeblood of backgammon Chris s articles are targeted at a broad range of players and everyone from the casual player to the expert will improve their game by studying the couple of hundred positions in this book **Wind Assisted** Chris Bray,2010-02-26 Chris Bray is the backgammon columnist for The Independent newspaper in London and has been playing and studying the game for over thirty years In this anthology of his most recent Independent articles he traces the further development of many aspects of the game Backgammon is changing rapidly and much of it is now played on line which requires some different skills In tournament backgammon clocks are becoming the norm which means that a premium is now placed on the ability to analyse

accurately at speed Computers continue to get faster and backgammon playing programs continue to improve which can only help the average player to improve his game as well The timeless characters who make up Chris s menagerie continue to paint a vibrant picture of life in the high stakes chouette the very lifeblood of backgammon Sherlock Holmes and Doctor Watson are also on hand to lend instruction **How to Play Backgammon** Daniel McGrew,2022-12-08 How to play Backgammon Rules and Guideline on how to play and win the game backgammon for beginners Backgammon is a game for two players played on a board consisting of twenty four narrow triangles called points It is the most widespread Western member of the large family of tables games whose ancestors date back nearly 5 000 years ago this book explain the rules and how to play the game and win this guide give a detailed tutorial on what every beginner need to emerge a winner when playing the game of strategy Sony CLIE For Dummies Denny Atkin,2004-06-14 Shows users how to make the most of Sony s popular Palm OS PDA the CLIE Sony holds the second largest share of the U S PDA market 12 1 percent Guides new and intermediate users through the all the latest CLIE features and functions from using Graffiti and working with Microsoft Office and PDF files to scheduling appointments checking e mail and beaming data Covers cool multimedia features such as taking digital photos producing slide shows recording and watching movies transferring music and creating reminders using the built in voice recorder Written in a friendly accessible style by PDA guru Denny Atkin Editorial Director of Handheld Computing magazine
