patterns of female stereotyping The second part looks at the input of women workers into the film process It assesses the work of women in a variety of roles directors such as Wendy Toye and Sally Potter producers such as Betty Box scriptwriters such as Clemence Dane and Muriel Box costume designers such as Shirley Russell and Jocelyn Rickards and editors and art directors This is a polemical book which is written in a lively and often confrontational manner It uses fresh archival material and takes energetic issue with those explanatory models of film analysis which impose easy answers onto complex material
