Book 1 Life's Second Chances Angelina Samuels has lost the only job she's ever held. A last minute interview lands her a new teaching job just days before the school year is about to begin. It turns out to be the best thing that could have happened when she realizes that her best friend from college Gabriella Alvarez is also a member of the teaching staff. Gabriella's brother Alejandro relocates to his hometown after having lived away from family and friends since he left for college to become a renowned transplant surgeon. He's settling into a new job, reacquainting himself with family and friends and is learning to deal ever so slowly with the personal loss that forever changed his life. When Angelina's sister experiences a health crisis, Alejandro is there to support her and her family. And when Angelina herself experiences a personal tragedy, Alejandro is the only one to guide her through it. As love stares down at them, can Angelina help Alejandro take that second chance on love and marriage?
Book 2 Life's Gateway to Happiness Kelly Samuels is dedicated to her career and has received several promotions in her short tenure at Lattice Works. Kelly's family is shocked when she returns home unemployed and without an explanation. Alec Alvarez, a pediatrician from a family full of doctors, is focused solely on his career. He's declared his bachelor status for life and has no desire for love, marriage, or babies. When Alec finds Kelly stuck on the side of a snowy road, neither of them are prepared for the feelings they begin to have for one another. As Kelly and Alec grow closer, he wants to know why the once happy-go-lucky Kelly is hesitant to his touch while Kelly just wants to find purpose to her life again. After Kelly tells two conflicting stories as to why she lost her job, Alec steps in to discover what truly happened. Can Kelly come to terms with what happened to her and move on with her life? And can Alec love enough to give up his bachelorhood status for good?
Book 3 Life's Turned Upside Down Gabriella Alvarez is the youngest of the Alvarez family. She's watched her best friend marry her brother, and another brother find love. Deep down, she's looking for love, but she can't quite shake the college sweetheart that broke her heart. Dr. Ashton Holder works for the famous Alvarez practice. He and Gabriella have always clashed; she continues to see him only as the rough-edged doctor with no bedside manner, but he's really made strides to put this image behind him. When Gabriella discovers a secret from Ashton's past, though she does her best to help him uncover something that will change his life forever, but a misunderstanding between them rocks him to the core. When he finally uncovers the secret, he must learn to put his past aside and try to move on with a future willed with hope and dreams.
