*A Searing Wind* W. Michael Gear, Kathleen O'Neal Gear, 2012-03-06 Black Shell an exile banished by his people for cowardice prepares to lead a small band of warriors to kill the Kristianos while explorer Hernando de Soto tricks the ancient Nations into slavery through his lies and ambition for gold

*Fire the Sky* W. Michael Gear, Kathleen O'Neal Gear, 2011-02-15 New York Times bestselling novelists W Michael and Kathleen O Neal Gear have long been considered the foremost chroniclers of early Native American life Now in a critically acclaimed sweeping new series they recreate the conflict filled years following one of the first European invasions Seen through the eyes of a courageous pair of Native Americans *Fire the Sky* follows Hernando de Soto s brutal expedition north from the Florida peninsula as the explorer plunders the heart of a complex and fragile civilization An itinerant trader and outcast from his tribe Black Shell was swept into the Spirit World and returned a transformed man Now carrying his white feathered trader s staff he devotes his life to a sacred mission that only the tall beautiful Pearl Hand his lover confidant and wife truly understands Black Shell has seen what the incomprehensibly violent shining armored invaders are capable of doing to his world and knows that if his people are to survive he and his Orphans a small band of fierce warriors must kill as many Kristianos as they can After being fought to a standstill by the courageous Apalachee Nation de Soto has changed his tactics He will employ promises of peace to accomplish what cannot be achieved by violence alone Lured by a young man s tale of gold and aided by an arrogant princess s treachery he makes his way through the beautiful southeastern landscape One by one the ancient Nations fall victim to his lies as rulers and commoners alike are tricked into enslavement In spite of the price de Soto has placed on his head Black Shell shadows the Kristiano advance and finds that his own legend precedes him Some will heed Black Shell s strategies of sacrifice and deception Others will ignore him and suffer unspeakable horrors as a result In this moving vivid portrait of a lost American civilization and a powerful love between a man and a woman the Gears illuminate a little understood time in our history as this bloody conflict between two peoples hurtles toward an apocalyptic battle that may change the course of the war forever

Fox, 2009-07-16 An excellent piece of work not just as an account of the Four Days Battle itself but also for its account of the entire Second Anglo Dutch War HistoryOfWar.org On June 1 1666 a large but outnumbered English fleet engaged the Dutch off the mouth of the Thames in a colossal battle that was to involve nearly 200 ships and last four days False intelligence had led the English to divide their fleet to meet a phantom threat from France and although the errant squadron rejoined on the final day of the battle it was not enough to redress the balance Like many a defeat it sparked controversy at the time and has been the subject of speculation and debate ever since The battle was an event of such overwhelming complexity that for centuries it defied description and deterred study but this superbly researched book is now recognized as the definitive account It provides the first clear exposition of the opposing forces fills many holes in the narrative and answers most of the questions raised by the actions of the English commanders It makes for a thoroughly engrossing story and one worthy of the greatest battle of the age of sail The Sister Verse and the Crown of Eyes Amelie C.
