A Short History Of The French Revolution 1789 1799:

A Short History of the French Revolution, 1789-1799 Albert Soboul,1977 A Marxist analysis of the causes and course of the French Revolution argues that it can be understood on all levels only in terms of class struggle A Short History of the French Revolution, 1789-1799 Albert Soboul,1965 **A Short History of the French Revolution** Jeremy D.

Popkin,2024-01-30 A Short History of the French Revolution is an up to date survey of the French Revolution and Napoleonic era that introduces readers to the origins and events of this turbulent period in French history and historians interpretations of these events The book covers all aspects of the Revolution including the political social and cultural origins of the Revolution and its causes events and aftermath It provides readers with a full and yet concise overview of the Revolution that helps them easily understand the key elements of the subject Fully updated and revised this new edition allows students to engage with the most current work on the subject with increased attention given to women s role in the Revolution full coverage of the struggles over race and slavery a new emphasis on the populist element in revolutionary politics and an expanded discussion of the historiography of the era Supported by learning objectives critical thinking questions and suggestions for further reading this is the perfect introduction to the French Revolution for students of French and European History in the late eighteenth century **The French Revolution, 1789-1799** Peter McPhee,2001-12-06 This book

provides a succinct yet up to date and challenging approach to the French Revolution of 1789 1799 and its consequences Peter McPhee provides an accessible and reliable overview and one which deliberately introduces students to central debates among historians The book has two main aims One aim is to consider the origins and nature of the Revolution of 1789 99 Why was there a Revolution in France in 1789 Why did the Revolution follow its particular course after 1789 When was it over A second aim is to examine the significance of the Revolutionary period in accelerating the decay of Ancien Regime society How revolutionary was the Revolution Was France fundamentally changed as a result of it Of particular interest to students will be the emphasis placed by the author on the repercussions of the Revolution on the practices of daily life the lived experience of the Revolution The author s recent work on the environmental impact of the Revolution is also incorporated to provide a lively modern and rounded picture of France during this critical phase in the development of modern Europe

A Short History of the French Revolution (Subscription) Jeremy D. Popkin,2016-07-01 This book attempts to introduce students to the major events that make up the story of the French Revolution and to the different ways in which historians have interpreted them It covers the relationship between France and the United States **A Short**

History of Europe, 1600-1815 Lisa Rosner,John Theibault,2015-03-26 A concise survey that introduces readers to the people ideas and conflicts in European history from the Thirty Years War to the Napoleonic Era The authors draw on gender studies environmental history anthropology and cultural history to frame the essential argument of the work A Short

History of the French Revolution for Young People Lydia Hoyt Farmer,1889 *A Social History of France 1780-1914* Peter

McPhee,2017-03-03 This volume provides a lively and authoritative synthesis of recent work on the social history of France and is now thoroughly updated to cover the long nineteenth century from 1789 1914 Peter McPhee offers both a readable narrative and a distinctive coherent argument about this remarkable century and explores key themes such as Peasant interaction with the environment The changing experience of work and leisure The nature of crime and protest Changing demographic patterns and family structures The religious practices of workers and peasants The ideology and internal repercussions of colonisation At the core of this social history is the exercise and experience of social relations of power not only because in these years there were four periods of protracted upheaval but also because the history of the workplace of relations between women and men adults and children is all about human interaction Stimulating and enjoyable to read this indispensable introduction to nineteenth century France will help readers to make sense of the often bewildering story of these years while giving them a better understanding of what it meant to be an inhabitant of France during that turbulent time

French Revolution: The Basics Darius von Güttner,2021-12-22 French Revolution The Basics is an accessible and concise introduction to the history of the revolution in France Combining a traditional narrative with documents of the era and references to contemporary imagery of the revolution the book traces the long and short term causes of the French Revolution as well as its consequences up to the dissolution of the Convention and the ascendancy of Napoleon The book is written with an explicit aim for its reader to acquire understanding of the past whilst imparting knowledge using underlying historical concepts such as evidence continuity and change cause and effect significance empathy perspectives and contestability Key topics discussed within the book include The structure of French society before 1789 The long and short term factors that contributed to the French Revolution How ordinary French people including women and slaves participated in the revolution What brought about the end of the ancien régime The major reforms of the National Assembly 1789 1791 and how they lead to the division and radicalisation of the revolution How the alternative visions of the new society divided the revolution and what were the internal and external pressures on the revolution that contributed to its radicalisation The forms of terror which enabled reality to triumph over the idealism The rise of Napoleon Bonaparte as military leader and Emperor This book is an ideal introduction for anyone wishing to learn more about this influential revolution in the shaping of modern Europe and the world

A Multi-Paradigmatic Approach to Understanding History Kavous Ardalan,2022-12-08 This book explores the field of history through a multi paradigmatic approach For this purpose it begins with a discussion of four most diverse worldviews or paradigms namely functionalist interpretive radical humanist and radical structuralist before moving on to consider four aspects of the field of history historiography grand narrative progress and time from the viewpoints of the four most diverse worldviews or paradigms Next the book looks at three historical events the French Revolution the American Civil War and the Iranian Revolution from the viewpoints of the four most diverse worldviews or paradigms It concludes by recommending paradigm diversity as an understanding of different paradigms leads to a more

comprehensive and a more balanced understanding of the multi faceted nature of the subject matter
