An Old Farts Guide To Almost Everything That Matters:

An Old Fart's Guide to Almost Everything... .. That Matters William B. Waddell, M.d.,2012-06-01 The focus of this book is on the aging male though I suspect the significant other will be most interested as well It is a collection of anecdotes advice and reminiscences gathered over 50 years of medical care You will not find any astounding revelations here The content though known wasn't appreciated as much til the author entered the hallowed halls of old farthood himself He is an avuncular storyteller and had a lot of fun in the writing of these very readable pages *The Perfectionist* Rudolph Chelminski,2005-05-19 An unforgettable portrait of France's legendary chef and the sophisticated unforgiving world of French gastronomy Bernard Loiseau was one of only twenty five French chefs to hold Europe's highest culinary award three stars in the Michelin Red Guide and only the second chef to be personally awarded the Legion of Honor by a head of state Despite such triumphs he shocked the culinary world by taking his own life in February 2003 TheGaultMillau guidebook had recently dropped its ratings of Loiseau's restaurant and rumors swirled that he was on the verge of losing a Michelin star a prediction that proved to be inaccurate Journalist Rudolph Chelminski who befriended Loiseau three decades ago and followed his rise to the pinnacle of French restaurateurs now gives us a rare tour of this hallowed culinary realm The Perfectionist is the story of a daydreaming teenager who worked his way up from complete obscurity to owning three famous restaurants in Paris and rebuilding La C te d Or transforming a century old inn and restaurant that had lost all of its Michelin stars into a luxurious destination restaurant and hotel He started a line of culinary products with his name on them appeared regularly on television and in the press and had a beautiful intelligent wife and three young children he adored Bernard Loiseau seemed to have it all An unvarnished glimpse inside an echelon filled with competition culture wars and impossibly high standards The Perfectionist vividly depicts a man whose energy and enthusiasm won the hearts of staff and clientele while self doubt and cut throat critics took their toll **Bride's Guide to Sex and Marriage** Herbert I. Kauet,1999 *Not Safe After Dark, and Other Stories* Peter Robinson,2009-02-24 Peter Robinson's first collection of short crime fiction spans his writing career and reveals his impeccable grasp of both mystery and suspense writing The sixteen stories are set in places as far flung as Inspector Alan Banks's turf in Yorkshire Robinson's own neighbourhood in Toronto and in Los Angeles and Florida They also reach back in time to 1873 to an utopian milltown in northern England to Thomas Hardy country in 1939 and to a small Yorkshire town during the Second World War The collection also includes a novella featuring Robinson's celebrated sleuth Inspector Banks Going Home is a chilling yet profoundly moving tale of just how hard it can be to visit one's elderly parents even for only a few days Four of the stories have won awards Innocence won the Crime Writers of Canada Best Short Story Award in 1991 and The Two Ladies of Rose Cottage won the Mystery Readers International's Macavity Award in 1998 and was nominated for both the Agatha and Arthur Ellis awards Murder in Utopia won Robinson his fifth Arthur Ellis Award in 2001 the same year that Missing in Action won the Edgar Award **The Best 195 Classics Ever**
