Baptist Deacons Guide:

Handbook for Deacons J. D. O'Donnell, 1973-06 To help readers discover what the Scriptures say about the duty of a deacon O'Donnell explores the biblical basis for these servants of God giving relevant application to the works they are to perform The Ministry of a Baptist Deacon Paul Chappell, 2010-11-15 A godly deacon is a great asset to the work of God His servant leadership benefits the entire church family and his support and care for the pastor is invaluable The Ministry of a Baptist Deacon is written for local church deacons who desire to invest themselves in the work of God and give themselves to the service of God's people It is designed as a handbook to equip deacons as servant leaders This two part manual scripturally defines the office and responsibilities of a deacon as well as providing practical helps for local church ministry This book also includes several appendices with sample forms financial procedures and a sample church constitution The Deacon Ministry Handbook Alan Witham, 2023-01-31 If you ask any pastor what keeps their church moving forward they will likely point to the serving work of the deacon These special men are the foundation of healthy churches because of their unique servant leadership role no matter the church size Typically they visit the homebound and the sick as they care and pray for those in need Seeing the actions of these servants assists aspiring deacons in understanding what a deacon does but it does not equate to understanding what a deacon is Through this book Alan Witham Steve Rice and their teammates bring clarity to the role of deacon by providing a practical guide that serves as The Deacon Ministry Handbook The authors bring decades of local church experience having served as deacons pastors and consultants The Deacon's Guide William Morgan, 2020-06-20 **The Seven** Lonnie Davis Wesley, III, 2020-11-11 Do you know what it means to be a deacon Is this office in the church still relevant today Dr Lonnie Davis Wesley believes that deacons have an important role to play but that church traditions and failures in leadership and education have often made deacons ineffective or given them tasks to which they are not called and for which they are not equipped He goes back to the first deacons chosen and set apart in Acts 6 for a model for the ministry of deacons in the modern church In doing so he finds that we need to re learn and re apply the lessons of scripture and history so that the church can be fully effective in ministry The Seven Taking a Closer Look at What It Means to Be a Deacon is a comprehensive guide to reforming and recharging your church's deacon ministry It includes guides to help you develop an education program to prepare deacons for ministry and to aid your congregation in supporting that ministry This book may be read by individuals but it will find its greatest use as a tool for building a strong deacon ministry in any congregation *Deacon Training* Kate Ward-Turner, 2008-05 Indifference toward deacon development places the church in a precarious state By and large congregations stand to be weakened by deacons who have not discovered the exciting possibilities of the office When pastor and congregation disregard the need to have trained deacons the office is allowed to recede into one of mere honor rather than service established in Christ On the other hand trained deacons or those in training discover exciting opportunities with which the office of deacons is filled They come to perceive the office as

one of service rather than honor The church is strengthened exceedingly by their effective and efficient leadership under the sight of the pastor Unquestionable God is looking for a special breed of deacons a New Testament breed who are Spirit filled and qualified To say that deacons are qualified is to say also that they are trained for the work of deacons *Deacon's Handbook* ,197? The Three Tables (Leader's Guide) Wyman Lewis Richardson,2023-02-23 This is the Leader s Guide version of The Three Tables A Student Workbook for which this Leader s Guide contains the answers is also available Further resources including teaching videos may be found at www.thethreetables.com The Three Tables Reclaiming an Early Baptist Model for Deacon Ministry Today is a deacon training course that introduces the early Baptist idea that deacons primarily serve three tables The Table of the Lord the Lord s Supper The Table of the Poor benevolence and the Table of the Pastor assisting the pastor in various ways including helping him to care for the families of the church Through a careful consideration of biblical passages quotations and stories from Baptist history and references to the earlier history of the church The Three Tables will help you to consider a model that served Baptist and baptistic churches well for many years
