A Study In The Revelation

John F. MacArthur

A Study In The Revelation:

The Victorious Christ Charles Freeman Sleeper, 1996-01-01 C Freeman Sleeper offers a logical and nonthreatening way for readers to study the book of Revelation First he introduces the reader to the basic questions Then he acquaints readers with matters such as imagery and symbolism and their use in other texts from the same period Finally he deals with the difficult issues of interpretation and the implications of Revelation for Christians today The Victorious Christ is the perfect guide for non specialists in search of a reliable and interesting exploration of the book of Revelation Study questions and exercises are provided to offer additional support

Hidden In Plain Sight: A Study of the Revelation to John Uchenna Mezue, 2015-10-03 The Revelation to John has been with us for about 2000 years and has been the subject of diverse attempts at interpretation The Revelation as given is a vision of the end time work of the Son of Man and the sole purpose is to prepare humanity for that mission and offer them the chance to recognise the last Envoy of God when He does come It is only with this understanding in view that the Revelation can be appreciated All the promised messages for the end time are now available to us and I believe we are in a better position to understand the message of The Revelation Indeed I believe that we urgently need to understand its message The urge and pressure amongst all striving human spirits to unravel the mysteries of The Revelation represents this need This study is not a substitute for The Revelation but may be regarded as a call for a deeper study and hopefully an awakening to the need to experience the times in a more alert manner The work is offered in the recognition that the Revelation is being fulfilled in this epoch and as such is a must read for all striving human spirits

God Will Have the Last Word Bobi Anderson, 2011-09 Through this fourteen week in depth study of the Revelation readers will learn how God's plan for Earth unfolds Discover hope and reassurance as you walk through this amazing finale to God's Word

Let's Study Revelation Derek Thomas, 2003 Derek Thomas shows that amidst the language and forms that dazzle and shock the book of Revelation is above all a book about Jesus Christ Thomas takes us through the series of seven visions which show the outworking of the words of Jesus to Peter I will build my church and the gates of hell shall not prevail against it

MacArthur, 2006-09-03 The book of Revelation unveils Jesus Christ in glory Written by the apostle John Revelation was a letter to churches in Asia Minor who were feeling the overwhelming effects of persecution from all sides This book was a reminder that encouraged them to remain faithful Through vivid imagery John writes Revelation to reveal the end of human history the return of Christ and the establishment of a new heaven and a new earth Revelation message of hope assures Christians that God is in sovereign control of all past present and future events and that Jesus Christ will judge the lost and rule in ultimate victory over all human and demonic opposition The MacArthur Study Guide Series provides a twelve week verse by verse examination of the books of the New Testament This revised and updated series continues to be one of the best selling study guides currently available for individuals or small groups Features Include Twelve week study Thought provoking questions Verse by verse

commentary Space provided for note taking **A Study in the Revelation** Michael J Tiry,2024-08-15 A Study in the Revelation is a verse by verse commentary on the Bible s final book exploring end time events and God s eternal plan It connects future events to human history and explains God s purposes for Israel and the Church *You Can Understand the Book of Revelation* Jeff Scoggins,2013 Some Christians say Revelation is a closed book and not meant for human understanding Actually the word revelation means unveiling and the first chapter of Revelation promises a blessing to all who read and take it to heart Other readers study Revelation over and over but end up confused about all the beasts scrolls trumpets and angels The truth is that Revelation is the story of Jesus Christ from beginning to end and we need to understand the plot of that story before sorting out the details A few preachers even use the newspaper to interpret Revelation equating each symbol with a specific event in yesterday s news Actually Revelation is best interpreted using the Bible itself You can learn to understand prophecy for yourself all you need is a safe method of Bible study and the guidance of the Holy Spirit Once you grasp the basic method we ll use those tools to walk through the central portion of Revelation which deals with earth s final crisis just before the second coming of Jesus You may have to re think everything you thought you knew about interpreting prophecy but you ll know that you stand on the firm footing of God s word Open your Bible and join us for the journey Digging Deep into the Revelation of Jesus Christ Michael Copple,2019-01-21 The purpose of this guide is to promote learning discussion and blessing The greatest benefit of the layout is that the reader has four columns side by side to enhance ease of understanding and use time more effectively Following the design of a parallel Bible with four columns side by side the Revelation Chapter is the left most column In column 2 is the commentary on that Chapter with references to other verses and passages To save the reader from searching for reference Books and verses those Scriptures are printed in column 3 on the side facing page Column 4 consists of the commentary for the reference verses Tower of Truth Glenn H. Bourne,1982
