A Time to Speak Robert H. Bork, 2023-08-22 Since at least 1971 when he published a seminal article on constitutional interpretation in the *Indiana Law Journal* Robert Bork has been the legal and moral conscience of America reminding us of our founding principles and their cultural foundation The scourge of liberal ideologues both before and after Ronald Reagan nominated him for the Supreme Court in 1987 Bork has for fifty years unwaveringly exposed and explained the hypocrisy and dereliction of duty endemic among our nation's elites the politicization and adversary activism of our courts and the consequent degradation of American society Now for the first time Judge Bork has gathered together his most important and prophetic writings in *A Time to Speak* including a foreword and commentary by the author The volume includes more than sixty vintage Bork contributions on topics ranging from President Nixon to St Thomas More from abortion to antitrust policy and from civil liberties to natural law It also includes several of his judicial opinions and transcribed oral arguments *A Time to Speak* is an indispensable book for all who have harkened to the truths spoken so forthrightly in season and out by this great American original

Conscience and Its Enemies Robert P. George, 2016-03-29 Many in elite circles yield to the temptation to believe that anyone who disagrees with them is a bigot or a religious fundamentalist Reason and science they confidently believe are on their side With this book I aim to expose the emptiness of that belief From the introduction Assaults on religious liberty and traditional morality are growing fiercer Here at last is the counterattack Showcasing the talents that have made him one of America's most acclaimed and influential thinkers Robert P George explodes the myth that the secular elite represents the voice of reason In fact George shows it is on the elite side of the cultural divide where the prevailing views frequently are nothing but articles of faith *Conscience and Its Enemies* reveals the bankruptcy of these too often smugly held orthodoxies while presenting powerfully reasoned arguments for classical virtues

The Just War Tradition J. Daryl Charles, David D. Corey, 2014-03-11 Politicians pundits and scholars have cited the principles of just war to defend military actions from Iraq to Afghanistan to Libya Other politicians pundits and scholars have cited just war principles to condemn those same military interventions How can the same tradition lead to such sharply opposing conclusions What is the just war tradition and why is it important today Authors David D Corey and J Daryl Charles answer those questions in this insightful exploration A fascinating blend of history theology and political philosophy *The Just War Tradition An Introduction* traces the development of the tradition from its inception nearly two millennia ago Corey and Charles illuminate how the various voices within the tradition from Augustine and Aquinas to Luther and Calvin to Suarez and Locke up to present day commentators relate to one another and to rival ways of understanding war and peace
